The attached notice is being sent to approximately 200 Upstate clients who will be denied the reissuance of the HEAP \$35 Supplemental payment originally issued to meet the increased energy cost for cooling during the 1998-99 HEAP heating season. The denial is based on a determination that the client or someone in the client's household already cashed the check. We anticipate a small number of Upstate hearing requests will be generated as a result of this notice. New York City clients who have this reissuance of the supplemental payment denied are not included in this notice mailing; any denials of NYC requests for a reissuance of the supplemental payment will be handled separately by the New York City Human Resources Administration.

A representative of Temporary Assistance, Office of Temporary and Disability Assistance will be responsible for preparation and representation at any Upstate hearings that are scheduled on this issue. Since this is a one-time mailing to a limited number of potential appellants, rather than creating a new agency field to ensure proper notification to the responsible OTDA agency, coding instructions for Communications Intake staff include adding this party as an "Other" address. Coding is as follows:

Agency: LDSS
Category: HEAP
Subcategory: None
Action: DENY

Issue Code: 854 (Any General HEAP Issues Not Identified by Code)

Other: James Fiore
