In the past, it had been standard office practice for Communications Intake staff to enter on the Fair Hearing Information System (FHIS) the subcategory NEMP for those hearing requests involving issues of employability determinations in Nassau County. Nassau County has advised us that it is no longer necessary to continue this practice. Effective immediately, these requests should be processed without the use of a subcategory.

If there are any questions with respect to this transmittal, you may contact your supervisor or Sue Fiehl at (518) 473-4779 or via email <u>90J029@dfa.state.ny.us</u>.
