It has come to my attention that certain local districts may still be distributing the former Departmental toll-free number to clients for use in requesting a fair hearing. This number (formerly 1-800-342-3715) has been disconnected and does not have any message to direct callers to a proper number.

I am providing a list of current numbers that should be provided to clients depending on the region of the calling party. Please update any notices or correspondence currently indicating the incorrect toll-free number and share these correct numbers with appropriate staff. Thank you for your anticipated cooperation in this matter.

Mark Lacivita, Director of Administration Office of Administrative Hearings
