ALB OAH Staff [x] UPS ALJs/ [] Upstate LDSS [] SUP ALJs []	Subject: Elimination of NYS7 Agency Designation
NYC OAH Staff [x] NYC ALJs/ [x] NYC Agencies [] SUP ALJs [x]	for Cases Involving Greenstein v. Dowling

Effective immediately, the NYS7 Agency designation has been eliminated. As you may know, the NYS7 coding was used in conjunction with issue code 995, Greenstein v. Dowling, to notify Jane McCloskey, formerly from our Department's Counsels' Office and now with the Department of Health, of fair hearing requests and decisions related to reimbursement for out-of-pocket expenses. There is no longer a need to track these cases for Ms. McCloskey's review.

Therefore, fair hearing requests that fit the <u>Greenstein v. Dowling</u> criteria, i.e. issues involving reimbursement for out-of-pocket expenditures incurred by NYC Medical Assistance recipients for covered services as a result of agency error, should be coded as follows:

Agency: NMAP Category: MA Subcategory: None

Action: DENY or INAD

Issue Code: 995

An Office of Administrative Hearings transmittal was never released regarding the NYS7 agency designation, therefore, this transmittal does not replace any previously-released transmittal. The issue code list (page B-23) has been appropriately modified. If you have any questions, please consult your supervisor or Susan Fiehl at (518) 473-4779 or via e-mail at 90J029.
