NEW CHILD CARE IN LIEU OF CASH ASSISTANCE (CILOCA) DENIAL CODES

Date: October 7, 2013	Subtopic(s): WMS, CILOCA
<p> This procedure can now be accessed on the FIAweb.</p> <p>M55 and G46 cannot be used at the individual level.</p>	<p>The purpose of this policy bulletin is to introduce staff to the following new Welfare Management System (WMS) rejection codes:</p> <ul style="list-style-type: none"> • M55 (Ineligible for Child Care in Lieu of Temporary Assistance) and • G46 (Ineligible for Child Care in Lieu of Temporary Assistance [Excess Income]) <p>Effective with the release of WMS Software Version 2013.3 scheduled for October 21, 2013 these codes are to be used when an applicant applied for and is determined ineligible for Child Care in Lieu of Cash Assistance (CILOCA) because they failed to meet a CILOCA or Cash Assistance (CA) eligibility requirement.</p> <p>These codes will eliminate the need to complete the prefilled Notice of Denial of Your Application for Child Care Benefits form (OCFS-LDSS-4780) and the prefilled Notice of Intent to Discontinue Child Care Benefits form (OCFS-LDSS-4782) as stated in Policy Directive # 13-19-ELI (Child Care in Lieu of Cash Assistance [CILOCA]). Staff must discontinue the use of all prefilled versions of these forms. Refer to Attachment C for the prefilled language that is obsolete for the OCFS-LDSS-4780 and to Attachment D for the prefilled language that is obsolete for the OCFS-LDSS-4782.</p> <p>Both codes M55 and G46 are to be used to reject the entire case for CILOCA. These closing codes do not apply to MA and SNAP eligibility; therefore if the applicant applied for all program areas (CA/MA/SNAP) a separate determination is required for these programs.</p>

HAVE QUESTIONS ABOUT THIS PROCEDURE?
Call 718-557-1313 then press 3 at the prompt followed by 1 or
send an e-mail to *FIA Call Center Fax* or fax to: (917) 639-0298

The new CA rejection code **M55** will have multiple denial reasons in the Client Notice System (CNS) and the JOS/Worker must select the appropriate reasons for denial. Refer to **Attachment A** for a sample of the Client Notice System (CNS) notice that will be generated with the use of rejection code **M55** and the different fill options that the JOS/Worker can choose from.

Multiple denial reasons can be selected with rejection code **M55**; however, not all denial reasons can be used together. **Attachment A** also includes a list of the denial reasons that can be used together. If the JOS/Worker selects denial reasons that cannot be used together, the system will display an error message.

The new CA rejection code **G46** will be used when the applicant has excess income that makes him/her ineligible for CILOCA because the income makes the household ineligible for CA. This code will require an excess income ineligible budget. Cases rejected with **G46** may be eligible for Transitional Child Care based on whether the household has a recent CA history. Refer to **Attachment B** for a sample of the CNS notice that will be generated with the use of rejection code **G46**.

Effective with WMS Software Release 2013.3
