Re: NYS Electronic Benefits Transfer System Conversion

Dear SNAP Retailer,

From September 19 through September 21, 2014, the New York State Office of Temporary and Disability Assistance (OTDA) will be converting its Electronic Benefits Transfer (EBT) system from OTDA's current EBT vendor, JPMorgan Electronic Financial Services, to OTDA's new EBT vendor, Xerox State and Local Solutions.

During the conversion weekend, there will be a period of time when client access to EBT benefits will not be available for food and cash purchases or for cash withdrawals. OTDA anticipates that this period of downtime will begin during the late evening hours on Saturday, September 20, 2014, and will end on Sunday afternoon, September 21, 2014. More specific information about the period of downtime will be made available closer to the conversion weekend on the OTDA website (www.otda.ny.gov) and on myBenefits (www.mybenefits.ny.gov).

During this period of downtime, it will not be possible for retailers to process manual vouchers for Supplemental Nutrition Assistance Program (SNAP, formerly known as Food Stamps) benefits. Retailer access to the EBT merchant helpline will also not be available during the downtime period. The EBT helpline for New York cardholders will retain the same number after the conversion (1-888-328-6399), but EBT cardholders will not be able to access this helpline during the downtime period.

OTDA has sent letters to all NYS EBT cardholders informing clients of the conversion and the period of downtime, and advising clients to plan their food and cash purchases and cash withdrawals accordingly. Clients have been informed that their current EBT cards will continue to work after the conversion, and that there is no need to replace their card. Retailers are encouraged to post signage at check-out points, and to inform clerks.

If you have questions regarding this letter or about the EBT conversion, please contact OTDA's EBT Bureau at: 518-473-9696.

Thank you for your support of the SNAP program.

Sincerely,

Phyllis Morris
Deputy Commissioner
Center for Employment and Economic Supports

IMPORTANTE!! Il 21 settembre 2014, per un certo periodo, la carta EBT (Electronic Benefits Transaction) non funzionerà per acquistare in contanti o comprare generi alimentari, né per prelevare contanti. Questo periodo di inattività di EBT inizierà circa alle 00:00 di domenica 21 settembre 2014 e potrebbe continuare fino alle 17:00 della stessa giornata. Gli utenti dovranno pianificare di conseguenza gli acquisti in contanti e di generi alimentari e i prelievi di contanti. È indispensabile interrompere il funzionamento mentre lo Stato di New York cambia i fornitori EBT. Dopo la conversione, l'attuale carta EBT continuerà a funzionare e non è assolutamente necessario sostituirla. Non vi sarà alcun effetto sulla capacità di accedere alle prestazioni mediche.
