<p>Date: January 5, 2016</p>	<p>Subtopic(s): W-113K, W-129G, FIA-1138</p>
<p> This procedure can now be accessed on the FIAweb.</p> <p>FIA-1146 – new notice.</p> <p>NCA SNAP no longer uses the W-113K.</p>	<p>The purpose of this policy bulletin is to introduce Non-Cash Assistance Supplemental Nutrition Assistance Program (NCA SNAP) staff and Cash Assistance SNAP Separate Determination Liaisons to the new notice ACTION IS REQUIRED! YOU MUST SUBMIT DOCUMENTS FOR YOUR SNAP CASE (FIA-1146) and the revised Supplemental Nutrition Assistance Program (SNAP) Documentation Guide (W-129G). This policy bulletin is informational for all other staff.</p> <p>The FIA-1146 notice has been developed for NCA SNAP cases and SNAP separate determinations when additional documentation is required at application and/or recertification to determine eligibility for SNAP benefits and/or properly calculate the SNAP benefit amount. Some notable differences between the **FIA-1146** and **W-113K** include:

Differences between the **FIA-1146** and **W-113K**.

- Eligibility factors are broken down into more specific categories, which provide applicants and participants with a clearer understanding of what documentation is needed. (For example: If the individual stated that s/he receives foster care payments, Foster Care Payments is listed instead of Unearned Income.);
- Multiple household members are listed in the same row for the category of required documentation, which eliminates the need for multiple rows for the same category; and
- The list of common documentation is tailored for each category, which minimizes the individual's need to check the **W-129G** against the **FIA-1146** for each category.

FIA-1146 – page 1.

The first page of the **FIA-1146** contains the following:

Information

Refer to [PB #15-109-OPE](#).

- The due date to return the required documents;
- A phone number to call if the individual needs more time or help getting documents;

Note: If the interview is conducted over the phone, the Paperless Office System (POS) populates the Telephone Interview Processing Services (TIPS) phone number for the TIPS location that conducted the interview. If the interview is conducted in-person, POS populates the Infoline phone number 718-722-8013. If a separate determination is conducted, POS populates the general phone number for the case's responsible Job Center.

- A warning that failure to provide documents or contact HRA by the due date can lead to a denial, discontinuance, or reduction of SNAP benefits; and
- The various methods that can be used to return documents, including fax, upload via smart phone or tablet, mail, and in-person at either a SNAP Center or a neighborhood organization.

Instructions

- To print the name and case number on the copy of each document returned;
- To provide one document for each household member listed in each category; and
- To use the **W-129G** for additional types of documents that can be provided for eligibility factors, if needed.

FIA-1146 – pages 2 and 3.

The second and third pages of the **FIA-1146** each contain a table, with four (4) columns and four (4) rows, and a legend:

- **Unlabeled column** – contains either an **M** for mandatory or an **O** for optional, based on the Category that is listed in that row (For example: An **M** precedes Age and an **O** precedes Housing Expenses – Rent because documentation for these eligibility factors are mandatory and optional, respectively);
 - **M** indicates that the information requested is required to make a decision on their application; and
 - **O** indicates that the information requested may affect if their household is eligible for SNAP benefit or the amount of SNAP benefits they will receive.

Note: The **M** or **O** value assigned to each category is based on the TA/Supplemental Nutrition Assistance Program (SNAP) Documentation/Verification Desk Aid (**LDSS-3666**).

- **Category** – contains the eligibility factor for which required documentation is needed (Examples include: Age, Immigration Status, and Housing Expenses – Rent);

Note: There are five (5) categories that contain an instruction to “See box (number) on form W-129G.” These are categories that have additional examples of documents listed on the **W-129G** that can be used to prove the category. The five categories that include this instruction on the **FIA-1146** are Identity, Home Address, Members of the Household/ Household Size, U.S. Citizenship, and Income from Employment.

- **Household Member(s)** – contains the name of each household member for whom documentation must be provided for the listed category;
- **Common Documentation** - lists one (1) to three (3) documents that can be used to prove a category; and
- **Legend** – provides descriptions for what the **M** and **O** values, in the unlabeled column, signify.

Refer to the [PB #06-18-ELI](#).

Refer to
[PB #15-41-OPE](#).

The **FIA-1146** is pre-populated by POS based on the information that is entered during the Application Interview, Recertification Interview, and SNAP Sep Det – Eligibility Decision activities in POS. The **FIA-1146** will always print with the **W-129G** and the Do you have documents to submit to the Human Resources Administration (HRA)? (**FIA-1138**) form. The **FIA-1138** provides individuals with a list of Community Based Organizations (CBOs) that accept documentation for NCA SNAP cases on behalf of HRA. The combination of the **FIA-1146**, **W-129G** and **FIA-1138** is sometimes referred to as the **FIA-1146** mail package.

Generating the
FIA-1146.

The Worker must generate an **FIA-1146** if at least one eligibility factor is being deferred. To do this, the Worker must click Yes next to the **FIA-1146** on the **Form Data Entry** window. When the **FIA-1146** window opens, POS prefills the due date field with the first business day that is at least ten (10) calendar days in the future. The pre-filled due date generated by POS can be changed to a later date; however, it cannot be changed to an earlier date. A Saturday due date can only be selected if the SNAP Center is open on Saturdays. Additionally, the due date cannot fall on a Sunday or holiday.

The **FIA-1146** can contain up to eight (8) categories of required documentation.

The **FIA-1146** can contain up to eight (8) categories of required documentation. If the household has fewer than eight (8) categories of required documentation, the rows of boxes that are not needed are left blank. If the household has more than eight (8) categories of required documentation, a second **FIA-1146** is generated and sent in a separate envelope.

Note: A message will not appear inside the blank row of boxes to indicate that they were intentionally left blank.

Printing the **FIA-1146**.

The way in which the **FIA-1146** prints is based on how the POS activity is conducted, as follows:

Telephone interviews and SNAP Separate Determinations.

- Telephone and SNAP Separate Determinations – POS sends a message to Management Information Systems (MIS) to print the **FIA-1146** mail package when the Worker suspends the POS activity after the **Print Forms** window. On the next business day, MIS mails the **FIA-1146** mail package to the applicant/participant through the Print-to-Mail (PTM) process.

In-person interviews

- In-person – the Worker highlights the **FIA-1146** in the **Print Forms** window and selects the *Print* button, which prints the **FIA-1146**, **W-129G** and **FIA-1138**. The Worker then gives the notice and forms to the applicant/participant.

Printed **FIA-1146** stored in the **Correspondence Notices** folder.

The **FIA-1146** is automatically indexed into the HRA OneViewer when it is printed. It is stored in the **Correspondence/Notices** folder.

Revisions to the SNAP Documentation Guide

The Supplemental Nutrition Assistance Program (SNAP) Documentation Guide (**W-129G**) has been revised as follows:

Revisions to form **W-129G**.

- The note regarding the name change from Food Stamps to SNAP has been removed;
- A column has been added at the far left labeled **Box**. The numbers in this column correspond to directions that appear in the five previously mentioned categories on the **FIA-1146** (See the note under **Category** on page 3);
- The following eligibility factors were changed from:
 - *Household Composition* to Household Composition/Size; and
 - *Alien Status* to Immigration Status;
- The following eligibility factors related to work registration requirements were added:
 - Disabled/Incapacitated;
 - Referral; and
 - School Attendance;
- The column heading for the eligibility factors related to expenses was changed from **Expense** to **Eligibility Factor**; and
- Health Insurance was added to the eligibility factors related to expenses.
