Food Stamp Income Guidelines

- Food stamps provide your family with assistance when buying food. They are used in place of cash to buy food at grocery stores or supermarkets.
- You don't have to be out of work to apply for food stamps. You can be employed and still be eligible for food stamps.
- You can own your own home and car and still be eligible for food stamps.
- If you are eligible, you will receive food stamp assistance within 30 days. Certain households with little income or savings, or with high shelter costs, can receive food stamp benefits within five days.

Family Size	1	2	3	4	5	6	7	8	Each additional member
Maximum Gross Monthly Income	\$1,127	\$1,517	\$1,907	\$2,297	\$2,687	\$3,077	\$3,467	\$3,857	+ \$390

- These new income limits became effective October 1, 2008.
- The Maximum Gross Monthly Income limits do not apply to food stamp households with an elderly or disabled individual, or if everyone in your household receives SSI, TANF, or SNA, you do not need to meet any income limit. Households that incur dependent care expenses are subject to higher gross income limits.

To file a food stamp application with the Center nearest you, you may appear in person any time between the hours of 8:30 AM and 5:00 PM, Monday through Friday. Applications can be filed in person at any Food Stamp Center, or through an authorized representative. You may also mail or fax your application. To request an application and instructions on the documentation requirements and information about where to mail or fax the completed application, call infoline at (877) 472-8411.
