POLICY BULLETIN #04-104-SYS

NYCWAY UPDATES

Date: June 23, 2004	Subtopic(s): NYCWAY
 This procedure can now be accessed on the FIAweb.	NYCWAY is updated on a regular basis to make the system more helpful to users, and to update current policy. This policy bulletin is to inform staff of the following updates and enhancements that were made to NYCWAY:
New Action Code 125H	A new Action Code 125H (SASC: ESP Deassignment Pending) has been created for use by <u>Special Population Vendors only</u> . This code is used in lieu of Action Code 125F (ESP Deassignment Pending). This new action code allows the Special Population Vendors to distinguish their deassigned SASC participants from other participants on the VENDR Worklist.
Autopost of 91FR	Action Code 91FR (Failed to Report to Return Appointment) will automatically post five days after the Future Action Date (FAD) on the 910V (Special Assessment Return Appointment to the Job Center) expires. This will result in the applicant being placed on the ISAR Worklist for rejection.
"Months on PA" Total	The "Months on PA" total that appears on the top of the Demographic and Activity Inquiry screens indicating the number of months on Public Assistance (PA) will be updated as soon as a closed case has reopened and becomes active. Previously this total would not appear until NYCWAY received the state's Time Limits file, which took up to three weeks.
	<p><i>Effective Immediately</i></p>
