ACTIVATING AN ALIEN IN RECEIPT OF DISABILITY-RELATED MEDICAID FOR FOOD STAMPS IN WMS

Subtopic(s): Alien Immigrant Food Stamp Eligibility
The state of the s
The purpose of this policy bulletin is to inform staff of a change in the actions required to add an alien to a Food Stamp (FS) case who:
 has an Alien Citizenship Indicator (ACI) of "B," "G" or "K"; and has been lawfully residing in the United States (U.S.) for less than five (5) years; and is in receipt of disability-related Medicaid.
In Policy Bulletin #03-83-ELI, Workers were provided with instructions on how to systematically add the above-described alien to a Public Assistance (PA) or Non-Public Assistance (NPA) FS case. These instructions have now changed.
To add a disabled alien lawfully residing in the U.S. less than five years to a FS case, Workers must now proceed as indicated below.
If the disabled alien is in receipt of PA:
 Calculate a budget and prepare the Turn-Around Document (TAD) (LDSS-3517) as per current procedure. In addition, assign Employment Status Code 36 (incapacitated) in TAD element 375 for the individual in question. Do not make any changes in the Category Field, element 372 or any entries in the SSI Indicator Field, element 320 on the TAD.
