- Rejection Code **Y99** (Other – Manual Notice Required) is entered to deny an individual for PA or FS and to deny a case for PA.

In addition, Job Center staff must use manual notices when:

- Rejecting/denying a PA application where the PA/FS status is going from AP/SI to RJ/CL (or SI/AP to CL/RJ).
- Multiple PA denial/closing reasons exist, for example the applicant failed to comply with the Bureau of Eligibility Verification (Rejection Code **N15** – Failure to Keep Appointment-BEV/FEDS Home Visit) and has excess resources (Rejection Code **U40** – Excess Resources).

In this instance the CNS notice must be suppressed.

Manual notices should only be used in the Job Center if a decision is made to suppress the CNS notice or the code (e.g., **Y98**) and/or the denial action as indicated above requires a manual notice. When preparing a manual denial notice, Job Center staff must use the:

Manual Denial notices used in Job Centers

- Action Taken on your Application: Part A: Public Assistance, Food Stamp Benefits and Medical Assistance Coverage (NYC) (**LDSS-4013A NYC**); and
- Action Taken on your Application: Part B: Public Assistance, Food Stamp Benefits and Medical Assistance Coverage (NYC) (**LDSS-4013B NYC**).

All manual denial notices must be scanned and indexed into the electronic Paperless Office System (POS) case record at Job Centers

Manual Denial notice used in the NPA FS Office

NPA FS Office staff must only prepare a manual denial notice if a decision is made to suppress the CNS notice or the denial code requires it (e.g., **Y99**). If the CNS notice is suppressed or the code requires a manual notice, staff must use the Action Taken on Your Food Stamp Benefits Case (NYC) (**LDSS-3152**) to inform the applicant of the decision made on his/her case.

A copy of the manual notice must be stored in the NPA FS case record.
