POLICY BULLETIN #17-31-OPE

CASH ASSISTANCE (CA) AUTOMATED FINGER IMAGING SYSTEM (AFIS) FREEDOM

<p>Date: March 23, 2017</p>	<p>Subtopic(s): Finger Imaging</p>
<p>Refer to PD #13-08-ELI</p> <p>The AFIS Directory (W-519N) lists Job Centers and SNAP Centers that provide finger imaging.</p> <p>Refer to PD #13-08-ELI and PD #13-27-ELI</p> <p>CA applicants/participants at a Job Center</p>	<p>The purpose of this policy bulletin is to inform Job Center staff about the Automated Finger Imaging System (AFIS) Freedom initiative available to Cash Assistance (CA) applicants/participants who are subject to finger imaging requirements. This policy bulletin is informational for all other staff.</p> <p>As a condition of eligibility for CA, all adult household members must be finger imaged. This mandate applies to all individuals 18 years of age or older, or heads of household under 18 years of age applying for or receiving CA, unless they are otherwise exempt from the finger imaging requirements.</p> <p>Under the AFIS Freedom initiative, CA applicants/participants and their adult household members who are subject to finger imaging rules may report to any Job Center citywide (refer to the AFIS Directory [W-519N]) to comply with finger imaging requirements. CA applicants/participants must <u>not</u> be directed back to his/her Home Center (the Center where his/her application is located) for finger imaging.</p> <p>Note: Individuals who have just reached their 18th birthday, or were recently added to an active case must report to their Home Center for an eligibility/employment assessment, as per procedure. These individuals will continue to appear on the IMAGE worklist.</p> <p>To ensure that CA applicants/participants who are able to take advantage of AFIS Freedom have the flexibility to be finger imaged at any Job Center citywide, the JOS/Worker will select Required to be Finger Imaged in the Paperless Office System (POS) Finger Imaging – AFIS window. POS will post action code 1480 (AFIS Freedom Appointment) to the New York City Work, Accountability, and You (NYCWAY) system, to ensure proper routing at the other Job Centers if the applicant/participant reports for finger imaging</p>

HAVE QUESTIONS ABOUT THIS PROCEDURE?
Call 718-557-1313 then press 3 at the prompt followed by 1 or
send an e-mail to *FIA Call Center Fax* or fax to: (917) 639-0298

under the AFIS Freedom initiative.

When POS posts action code **1480** in NYCWAY, the Photo Identification for SNAP/Finger Imaging for CA Notice/AFIS Freedom Referral (**W-519**) and AFIS Directory (**W-519N**) forms are printed.

Note: There must be a separate referral (**W-519**) form for each adult in the household being finger imaged.

POS will transmit the CA applicant's demographic record to a centralized database, enabling the AFIS Operator at the Finger Imaging Unit to confirm that the applicant was referred for finger imaging.

Refer to [PD #13-08-ELI](#)

For CA participants, the JOS/Worker must ensure that all adult household members are finger imaged at recertification, unless they are otherwise exempt from the finger imaging requirements.

CA applicants/participants in need of finger imaging and reporting to a Job Center with a case in Applying (AP), Single Issue (SI), or Active (AC) status from another Center must be directed to the AFIS Operator.

Front Door Reception

Model Center

When a CA applicant/participant visits a Model Center and requests to be finger imaged, FDR staff should:

- Get the **W-519** form or identifying information (e.g., Benefit card, Social Security Number [SSN]) from the applicant/participant;
- Perform a case search to identify the appointment, and issue an AFIS Freedom ticket.

Note: If the appointment does not appear in Front Door Electronic Reception (FRED), issue an AFIS Freedom ticket using "Other Routing Options" and "Other Services Areas" in FRED to route the applicant/participant to the AFIS Operator for finger imaging.

Self-Service Check-In

Centers with Self-Service Check-In

At Self-Service Check-In kiosks, the applicant/participant will enter identifying information (e.g., Benefit card, SSN) to generate an AFIS Freedom ticket, if an appointment is identified.

In the event that the appointment is not identified, the applicant/participant will be issued a Customer Service and Information Center (CSIC) General ticket.

At CSIC, the applicant/participant will give the **W-519** form and/or other identifying information to the JOS/Worker, who will review the information and route the applicant/participant to the AFIS Operator for finger imaging.

AFIS Operator

Contacting the AFIS Freedom Liaison, back-up AFIS Freedom Liaison, Center Director, or Designee

In the event of any problems with the AFIS system, the AFIS Operator should contact the Job Center's AFIS Freedom Liaison, the back-up AFIS Freedom Liaison, Center Director, or Designee. Refer to **Attachment A** for the contact names and telephone numbers for each respective Center.

The AFIS Freedom Liaison, back-up AFIS Freedom Liaison, Center Director, or Designee should check the Welfare Management System (WMS) and resolve any issues to ensure the applicant/participant is finger imaged as quickly as possible. If the issue cannot be resolved, he/she may contact the applicant's/participant's Home Center by telephone, as listed on **Attachment A**.

Photo Identification for Supplemental Nutrition Assistance Program (SNAP) / Finger Imaging for Cash Assistance Notice / AFIS Freedom Referral

Supplemental Nutrition Assistance Program (SNAP)

If you are applying for or are in receipt of SNAP benefits and are in need of a photo identification card, you will be sent to the Automated Finger Imaging System (AFIS) operator for a photograph only. The photograph will appear on your Common Benefit Identification Card (CBIC). This is the card you use to redeem your benefits.

Cash Assistance Program

If you are applying for or receiving regular or emergency Cash Assistance and you are an adult (18 years of age or older) or you are the head of household, you must enroll in the AFIS to be finger imaged. This information will be compared with other active computer files in order to assist in determining your household's eligibility for assistance and to prevent duplicate participation. If you are an adult applying for/receiving Medicaid benefits and your Medical Assistance Identification card must contain a photo image, you are required to enroll in AFIS in order to have your photograph taken only. Family Health Plus and Family Planning Benefit applicants/participants are exempt from all AFIS requirements. Please bring identification with you to the Finger Imaging Unit.

AFIS will capture your finger images and take your photograph quickly and easily. These images and photographs will be stored and matched against those of other applicants/participants. At the same time that we finger image you, we will record your signature electronically so that we can issue you a Common Benefit Identification Card (CBIC). You will need this card to redeem your benefits.

Cash Assistance AFIS Freedom

Under the AFIS Freedom initiative, you can visit the Job Center nearest you, or any Job Center citywide (refer to the AFIS Directory [W-519N]) to comply with finger imaging requirements. Please bring identification with you to the Finger Imaging Unit.

The following individuals are exempt from finger imaging:

- Supplemental Nutrition Assistance Program Applicants/Participants
- Individuals who are not applying for or receiving Cash Assistance and who are not legally responsible for any other household member who is applying for or receiving Cash Assistance.
- Individuals physically unable to comply with this requirement because of an injury or disability. However, if the condition is temporary, an appointment to return for finger imaging must be made.
- Applicants/Participants under 18 years of age unless they are the head of household.
- SSI recipients who are applying for a one-shot deal Emergency Assistance to Adults (EAA) grant (only if all members of the household are in receipt of SSI).
- Congregate Care Facility residents.
- Homebound applicants/participants.

Failure to comply with the finger imaging requirement will result in a Cash Assistance case denial/closing. Failure to comply with finger imaging will not affect your eligibility for Supplemental Nutrition Assistance Program (SNAP) benefits.

Cash Assistance Only

- I am exempt from finger imaging because I meet one of the exemption criteria mentioned on **page 1**.
- I do **not** agree to be finger imaged. I am applying/seeking recertification for Cash Assistance and realize that, by not agreeing to be finger imaged, I will become ineligible and my case will be rejected or closed as appropriate.

Aviso de Identificación con Foto para el Programa de Asistencia de Nutrición Suplementaria (SNAP) / Envío a Iniciativa Freedom de AFIS

Programa de Asistencia de Nutrición Suplementaria (SNAP)

Si usted presenta solicitud de beneficios de SNAP o recibe los mismos, y necesita una tarjeta de identificación con foto, se le enviará al encargado del Sistema Automatizado de Impresión Dactilar (AFIS) sólo para tomar una foto. La foto aparecerá en su Tarjeta de Identificación de Beneficios Comunes (CBIC). Ésta es la tarjeta que usted debe usar para cobrar sus beneficios.

Programa de Asistencia en Efectivo

Si usted está solicitando o recibiendo los beneficios normales o de emergencia de Asistencia en Efectivo (CA), y si es adulto (de 18 años de edad o más) o jefe del hogar, debe inscribirse en el AFIS para que le tomen las impresiones dactilares. Esta información será comparada con otros expedientes computarizados activos para determinar si su hogar es elegible para asistencia y también para evitar la participación duplicada. Si usted es solicitante o beneficiario adulto de Medicaid, y su tarjeta de Identificación de Asistencia Médica debe tener una foto, se requiere que usted se inscriba en el AFIS solo para que se le tome la foto. Los solicitantes/participantes de Family Health Plus y Family Planning Benefit están exentos de todos los requisitos de AFIS. Por favor traiga consigo identificación a la Unidad de Impresión Dactilar (Finger Imaging Unit).

AFIS captará sus impresiones dactilares y le tomará su foto de forma rápida y fácil. Estas impresiones dactilares y fotos serán archivadas y comparadas con las de otros solicitantes/participantes. Al tomar sus impresiones dactilares, registraremos electrónicamente su firma de manera que podamos asignarle una CBIC. Usted necesitará esta tarjeta para cobrar sus beneficios.

Iniciativa Freedom de AFIS de Asistencia en Efectivo

Conforme a la iniciativa Freedom de AFIS, usted puede visitar el Centro de Trabajo que le quede más cercano, o cualquier otro Centro de Trabajo en la ciudad de Nueva York (vea el Directorio del Sistema Automatizado de Impresiones Dactilares [AFIS] de Asistencia en Efectivo [CA] [**W-519N (S)**]) para cumplir los requisitos de impresión dactilar. Favor de traer identificación consigo a la Unidad de Impresión Dactilar.

Las siguientes personas están exentas de la toma de impresiones dactilares:

- los solicitantes/participantes de SNAP
- las personas quienes no estén solicitando o recibiendo CA y quienes no sean legalmente responsables por cualquier otro miembro del hogar quien esté solicitando o recibiendo CA.
- las personas quienes físicamente no puedan cumplir este requisito debido a una lesión o discapacidad. No obstante, si esta afección es temporaria, es preciso programar una cita de vuelta para la toma de impresiones dactilares.
- los solicitantes/participantes menores de 18 años de edad, a menos que sean jefe del hogar.
- los beneficiarios de SSI y que soliciten una concesión única de Asistencia de Emergencia para Adultos (EAA). (Sólo si todos los miembros del hogar reciben SSI.)
- los residentes de Locales de Cuidado Colectivo.
- los solicitantes/participantes confinados al hogar.

El incumplimiento del requisito de impresiones dactilares resultará en el cierre o rechazo de su caso de Asistencia en Efectivo (CA). El incumplimiento de las impresiones dactilares no afectará su elegibilidad para el Programa de Asistencia de Nutrición Suplementaria (SNAP).

Sólo Asistencia en Efectivo

- Estoy exento(a) de las impresiones dactilares, por cumplir uno de los criterios de exención en la **página 1**.

- No** acuerdo con que se me tomen las impresiones dactilares. Solicito/deseo la recertificación de CA, y estoy consciente de que al no consentir a que se me tomen las impresiones dactilares, perderé la elegibilidad, y de que mi caso será rechazado o cerrado, de ser apropiado.
