HAVE QUESTIONS ABOUT THIS PROCEDURE? Call 718-557-1313 then press 3 at the prompt followed by 1 or send an e-mail to *FIA Call Center Fax* or fax to: (917) 639-0298 RAS benefits are a regular HEAP supplement available to assist HEAP eligible households who have electricity and/or gas account arrears (overdue balance), as documented by their utility company, and does not need to be repaid. All applicants for the HEAP RAS benefit must: (1) meet the requirements to receive a regular HEAP benefit, (2) have past-due utility arrears and (3) be in active collections, or facing termination of service on their current gas and/or electricity utility account(s) at the time of the RAS application.

The RAS benefit is available from September 22, 2021 through September 30, 2022 or until funding is exhausted, whichever occurs first. It does not matter when the utility arrears accrued, or why, and there is no resource test to qualify for the benefit. A RAS benefit can be issued to both an electricity and a gas account for one household, however, only one RAS benefit per current electricity and/or gas account is permitted, and the total RAS benefits cannot exceed \$10,000 dollars per household.

## **Application for the RAS Benefit**

The application for RAS is the HEAP Application (**LDSS-3421**), which is to be used in conjunction with the Home Energy Assistance Program (HEAP) Regular Arears Supplement (RAS) Worksheet, which can be completed online at https://forms.office.com/g/BSD7MjRUab.

**Note:** This link is for agency use only, via the Human Resources Administration (HRA) network.

No Application Needed, only RAS Worksheet for Certain Households

Households who: (1) received a regular HEAP benefit in any amount through the application or Autopay processes; (2) currently have an open HEAP, Cash Assistance (CA), or SNAP case; <u>and</u>, (3) have not moved since receiving their regular HEAP benefit, do <u>not</u> need to complete a new HEAP application, but rather only need a RAS Worksheet to be completed by the FIA or HASA worker. These applicants may apply by telephone or in person.

Application and RAS Worksheet needed for Other Households

Applicants who: (1) did not receive a regular HEAP benefit; (2) have moved since receiving their HEAP benefit; or, (3) whose CA or SNAP case closed since receiving their HEAP benefit must apply using the **LDSS-3421**, and an FIA or HEAP worker must complete a RAS Worksheet online at <a href="https://forms.office.com/g/BSD7MjRUab">https://forms.office.com/g/BSD7MjRUab</a> for the

household. The completed RAS Worksheet will be submitted to HEAP Central. Any questions can be emailed to HEAP Central at HEAPRAS@hra.nyc.gov. An interview for these applicants is required. HEAP Central staff will conduct the interview for HEAP and RAS applicants. The requirement for in-person interviews is currently waived due to COVID-19. Applicants who apply for RAS using the LDSS-3421 may submit the application by mail or in person.

The applicant must be the customer of record for the electricity and/or gas account(s), or must document that they pay the utility vendor(s) directly for the bill(s). This must be verified and documented on the RAS Worksheet.

## **RAS Benefit Amount**

The amount of the RAS benefit will be the current electricity and/or gas amount owed by the household, but cannot exceed \$10,000 dollars per household.

All electricity and/or gas arrears must be verified on the date of application processing using a utility webtool and/or collateral contact with the utility company, and must be documented on the RAS Worksheet.

Only one RAS benefit per current electricity and/or gas account is permitted. This benefit may not be accessed more than once for each electricity and/or gas account. Arrears already paid by the household or any other party do not qualify for payment under RAS.

#### **HEAP Staff Only**

## **Systems Implications**

HEAP RAS payments are authorized through the Welfare Management System (WMS) using payment type **J9** (HEAP Additional Benefit). These benefits must be issued on a Case Type **60** (HEAP only) or an appropriate CA or SNAP case type. Payments on closed cases are not permitted.

## **Processing Timeframes and Applicant Notification**

The application date is the date that the **LDSS-3421** is received, or the date that the RAS Worksheet is completed, if the **LDSS-3421** is not required.

An applicant's eligibility for RAS benefits must be determined within 30 business days from the date of application. Applications for RAS benefits may be pended for missing or additional documentation for up

to 10 business days if necessary. If the applicant fails to provide the requested documentation by the due date, the application must be denied, and the applicant must be provided with a timely notice of eligibility decision.

A supervisory review must be completed for all approved and denied applications for RAS benefits.

Applicants must be provided with an appropriate notice of the eligibility decision no later than 30 business days from the RAS application date. Once HEAP issues the RAS benefit using the **J9** issuance code, the HEAP Notice of Eligibility Decision – Approval (**FIA-1230a**) notice will be sent to applicants approved for the RAS benefit. If the applicant is determined ineligible for the RAS benefit, the HEAP Program Notice of Denial (**FIA-1230b**) will be issued. A copy of all notices must be retained in the case record.

# <u>List of 2020-2021 HEAP Regular Benefit Recipients with Electricity</u> and/or Gas Arrears

HEAP Central received the list, and no HEAP application is required HRA received a spreadsheet of recipients of the HEAP Regular benefits during the 2020-2021 program year who have been identified by their utility company as having electricity and/or gas arrears. HRA will assess these households for RAS benefits by verifying the household's current electricity and/or gas account status.

Revised

HRA must complete the RAS Worksheet online at <a href="https://forms.office.com/g/BSD7MjRUab">https://forms.office.com/g/BSD7MjRUab</a> on behalf of the household for which a RAS benefit is issued. Interviews are not required for households on the list whose eligibility for RAS can be determined using the utility web tool or collateral contact with the electricity and/or gas utility vendor.

Outreach letter sent to identified households informing them of need to apply for RAS benefit

For households that HRA is unable to determine eligibility for the RAS benefit (i.e., the electricity and/or gas account is not active, the address has changed since receipt of their most recent HEAP benefit), the household will be mailed an outreach letter. The outreach letter will inform the household to apply for the RAS benefit through HEAP Central. The household must have a copy of their utility bill. A new letter, the "HEAP Regular Arrears Supplement Outreach" (FIA-1230d) has been developed.

For these households that are found ineligible or denied for the RAS benefit, no denial letter is sent. The household will have to apply through the Regular HEAP process.

#### Job Center/HASA Staff

## One Shot Deal for Electricity and/or Gas Arrears Only

Once an applicant makes a request for utilities assistance, either through ACCESS HRA (AHRA) or any other submission method, the JOS/Worker will check the HRA OneViewer for any utility documentation and the Welfare Management System (WMS) for a HEAP payment made in the 2020-2021 HEAP season. The applicant/participant will be called for a telephone interview under the current process, and the JOS/Worker will complete the RAS Worksheet online at <a href="https://forms.office.com/g/BSD7MjRUab">https://forms.office.com/g/BSD7MjRUab</a>. The completed RAS Worksheet must be added to the client's case record. Any questions can be emailed to HEAP Central at HEAPRAS@hra.nyc.gov.

These emergency assistance applications will be denied as the HEAP RAS benefit is an available resource to meet their need. Staff must deny the case with reason code **Y95** (Case Closed After Being Accepted for Emergency Assistance – Manual Notice Required) and enter the following as the reason on the Notice of Decision on Assistance to Meet an Immediate Need or Special Allowance (For Applicants Only) (**W-145HH**) in the final "Other" field at the bottom of page 3 of the notice:

The HEAP Regular Arrears Supplement is an available resource. You must use all available resources before we can help with this request. 18 NYCRR 352.23.

**Note:** If the applicant is not eligible for the HEAP RAS benefit, the JOS/Worker must direct the applicant to apply for utilities assistance using the **LDSS-3421** application. The **LDSS-3421** application is available in the Customer Information Service Center (CSIC) in the Job Center. The applicant may also contact the Office of Constituent Services (OCS) and request the **LDSS-3421** be mailed to them.

**Note**: Households <u>only</u> containing non-citizens who are Permanently Residing Under Color of Law (PRUCOL) are categorically ineligible for HEAP. If the household consists of at least one US citizen or an individual who has an immigration status that is eligible for federal benefits (refer to PD#13-09-ELI on determining non-citizen and PRUCOL eligibility), the household must be evaluated for RAS benefit eligibility. Regular processing rules would still apply.

Centralized FIA and HASA Admin staff will review the SharePoint website on a weekly basis for cases that were found ineligible for a RAS benefit because of their immigration status. The cases will be distributed to the centers to reconsider eligibility for a regular utility grant.

**HEAP Central Staff** 

HEAP Central will verify the household's eligibility for the RAS benefit. If determined ineligible for HEAP, HEAP Central will deny the request for the RAS benefit. If found eligible, HEAP Central will approve the request and issue payment to the utility company. HEAP Central will send applicants an approval notice (**FIA-1230a**) manually with the RAS benefit amount, or a denial notice (**FIA-1230b**), if deemed ineligible for RAS.

## **Request for Utility Arrears Active Cases**

For CA participants who request emergency assistance for utility arrears, either online through AHRA or through another submission method, will be determined ineligible for the grant. The JOS/Worker will need to deny the request, using the **FIA-1104** form and enter the following as the reason for denial:

Revised

"OTDA requires that you apply for NYS ERAP or for HEAP and the RAS Benefit before HRA can decide on your request. 18 NYCRR 352.23."

Using the information gathered in the Paperless Office System (POS) for the submission, the RAS Worksheet will be completed online at <a href="https://forms.office.com/g/BSD7MjRUab">https://forms.office.com/g/BSD7MjRUab</a> and sent to HEAP Central.

## Request for Utility Arrears at the SNAP Center

### Co-located Job/SNAP Center

SNAP participants who walk into the co-located Job/SNAP Center and wish to apply for utility arrears will be referred to the Job Center.

## Standalone SNAP Center

SNAP participants who walk into the standalone SNAP Center and wish to apply for utility arrears must complete the **LDSS-3421**, if they are not currently in receipt of HEAP or have not received HEAP during the 2020-2021 HEAP season. The JOS/Worker must complete the RAS Worksheet online at <a href="https://forms.office.com/g/BSD7MjRUab">https://forms.office.com/g/BSD7MjRUab</a>, and forward the **LDSS-3421** and RAS Worksheet to HEAP Central. #### **SECTION 5: IMPORTANT NOTICES**

#### **IMPORTANT NOTICE**

YOU SHOULD BE AWARE THAT THERE IS LIMITED MONEY AVAILABLE FOR HEAP BENEFIT PAYMENTS. ONCE AVAILABLE MONEY IS EXHAUSTED, NO BENEFITS WILL BE ISSUED. THEREFORE, IT IS STRONGLY RECOMMENDED THAT YOU COMPLETE AND SUBMIT YOUR APPLICATION AS SOON AS POSSIBLE.

#### PERSONAL PRIVACY LAW - NOTIFICATION TO CLIENTS

The State's Personal Privacy Protection Law, which took effect September 1, 1984, states that we must tell you what the State will do with the information you give us about yourself and your family. We use the information to find out if you are eligible for the Home Energy Assistance Program and, if so, for how much. The section of the Law that gives us the right to collect the information about you is Section 21 of the Social Services Law. To make sure that you are getting all of the assistance you and your family are legally entitled to receive, we check with other sources to find out more about the information you have given us. For example:

- We may check to find out if you or anyone in your household were working. We do this by sending your name and Social Security Number to the State Department of Taxation and Finance, and also to known employers, to tell us whether you worked and, if so, how much you made.
- We may ask the State to check with the Unemployment Insurance Division to see if you or anyone in your household were getting unemployment benefits.
- We may check with banks to make sure we know about any income you or anyone in your household may have received.

Besides using the information you give us in this way, the State also uses the information to prepare statistics about all the people receiving Home Energy Assistance. This information is used for program planning and management. The information is used for quality control by the State to make sure local districts are doing the best job they can. It is used to verify who your energy supplier is and to make certain payments to such vendors. Your failure to provide us with the information we need may prevent us from finding out if you are eligible for assistance and we may then have to deny your application. This information is kept by the Commissioner, Office of Temporary and Disability Assistance, 40 North Pearl Street, Albany, New York 12243-0001. Do not send your application to this address. If you or anyone in your household does not have a Social Security Number, a Social Security Number must be applied for at the U.S. Social Security Administration.

## **Read the Important Information Below**

I swear and/or affirm that the information given on this application and subsequent phone interviews is true and correct. I realize that any false statements or other misrepresentation knowingly made by me in connection with this application and subsequent requests for HEAP assistance may result in my being found ineligible for the assistance paid to me or on my behalf. Additionally, any false statement or misrepresentation knowingly made by me for purposes of obtaining assistance under this program may result in an action against me which may subject me to civil and/or criminal penalties.

#### **CONSENT**

I understand that by signing this application/certification, I consent to any investigation to verify or confirm the information I have given and other investigation by any authorized government agency in connection with this and any other requests for Home Energy Assistance Program (HEAP) benefits. I also consent to allow the information provided on this application to be used in referrals to available weatherization assistance programs and my utility company's low income programs.

I understand that the State will use my Social Security Number to verify with my home energy vendors the receipt of HEAP. This authorization also includes permission for any of my home energy vendors (including my utility) to release certain statistical information, including but not limited to, my electricity usage, electricity cost, fuel consumption, fuel type, annual fuel cost and payment history to the Office of Temporary and Disability Assistance, the local Social Services District and the United States Department of Health and Human Services for the purposes of Low Income Home Energy Assistance Program (LIHEAP) performance measurement.

If you require another accommodation, or need other help completing this application, please contact your SSD. We are committed to assisting and supporting you in a professional and respectful manner.

#### IMPORTANT INFORMATION ABOUT PROGRAM DATES

HEAP benefits are only available when the program is open. The opening and closing dates are determined for each program year. Opening dates for the regular benefit and the emergency benefit components may be different. Information on the opening and closing dates for this year's program can be found on the OTDA website at <a href="http://www.otda.ny.gov">http://www.otda.ny.gov</a> or by calling our toll free number at 1-800-342-3009.

**ALTERNATIVE FORMATS:** Check "YES" or "NO" to indicate whether you are blind or seriously visually impaired and would like to receive written notices in an alternative format. If "Yes," check the type of format you would like. Alternative formats are available in large print, data CD, audio CD, or Braille, if you assert that none of the other alternative formats are equally effective for you. If you require another accommodation, or need other help completing this application, please contact your SSD.

#### INSTRUCTIONS FOR COMPLETING THE APPLICATION:

Complete all non-shaded areas and answer all questions.

#### Who should complete and sign the application?

The application should be completed by the person who has primary and direct responsibility for payment of the heating bill or the primary tenant if heat is included in the rent.

#### What address should I list?

You must list your current address. This must be your permanent and primary residence.

#### Why do you need my daytime phone number?

It is important to list a phone number where you can be reached. This will assist in timely processing of your application if additional information is required.

#### Will I need an interview?

Some applicants may be required to have an interview. You may choose to have a phone interview or to have an in person interview. Please indicate your interview preference in the box on page one. Completion of this section does not mean you will be required to have an interview.

All applications for heating equipment repair or replacement must have an in person interview.

#### Who should I list as household members?

List everyone who lives in your house, even if they are not related to you or contributing financially to your household. You may be required to provide proof of identity for all household members. List yourself first on line 1. If you live alone, write the word "none" on line 2.

#### **Gender Identity**

New York State ensures your right to access State benefits and/or services regardless of sex, gender identity or expression. You must report your sex and the sex of all household members as male or female. The sex you report here must be the same as what is currently on file with the United States Social Security Administration. The sex you report is needed to process your application. It will not appear on any benefit card you may receive or any other public-facing document.

Gender identity is how you perceive yourself and what you call yourself. Your gender identity can be the same as or different from your sex assigned at birth. Gender identity is not required for this application. If your gender identity, or the gender identity of anyone in your household, is different than the sex you proport for that person and you would like to provide that person's gender identity, print "Male", "Female", "Non-Binary", "X", "Transgender", or "Different Identity" in the space provided. If you print "Different Identity", you may choose to describe that person's gender identity further in the space provided.

#### Citizen /Alien Information:

In order to receive HEAP, you must be a U.S. citizen, Qualified Alien, or U.S non-citizen national. For additional information on what constitutes a Qualified Alien or U.S. non-citizen national, please contact the New York State Office of Temporary and Disability Assistance hotline at 1-800-342-3009 or visit the OTDA website at <a href="http://www.otda.ny.gov">http://www.otda.ny.gov</a>.

#### Why do I need to provide Social Security numbers for everyone?

Social Security numbers are required for all household members. The information is validated with data from the Social Security Administration. If any member does not have a Social Security number but has applied for one, write the word "applied" in the Social Security Number box. If you leave this section blank for any household member, your application cannot be processed but will be pended for further information. This information may also be used to perform data matches with other state and federal agencies for the purposes of verifying your household's HEAP eligibility.

#### **Housing Information**

Please check the box that most accurately represents your housing situation.

#### **Heating Situation**

Make sure to answer all three (3) questions

#### How should I complete the income section? Will I need to provide proof?

List ALL income for all household members. All amounts should be entered as gross income prior to any deductions. Deductions include, but are not limited to: income taxes, child support, garnishments, health insurance, and union dues. You are required to submit documentation of all earned income, including self-employment and rental income. You may be required to provide proof of other income. Please see page 6 of the application instructions for specific types of acceptable documentation. Do not submit originals, they will not be returned. Eligibility will be based on your household's gross monthly income for the month of application.

Please enter the amount of your Social Security before any deductions for Medicare. List separately the amounts that you pay for Medicare Part B and/or D. Amounts for Medicare Parts B and D are excluded as income.

Enter only the interest or dividend portions of bank accounts, CDs, stocks, bonds or other investment income. List each account separately. If you need more space, attach additional sheets. Enter the amount received for the year to date.

#### What does authorized representative mean?

An authorized representative is a person who may act as your agent for HEAP purposes as listed on the application. Authorized representative status is for the current program only and you may revoke it at any time during the program by submitting a statement to your local Social Services District. Since this person may be providing information on your behalf, it should be someone who knows your circumstances.

<u>Make sure to SIGN and date the application</u>. The application must be signed by the person who has the heating bill in their name, or who pays the bill if it is in someone else's name. If heat is included in the rent, the primary tenant must complete and sign the application.

#### **Motor Voter Registration**

Please include the Motor Voter form with your application. Complete this form if you are not registered to vote and you want to register. This does not affect your HEAP eligibility or benefit amount.

#### WHAT WILL I NEED TO APPLY?

New applicants will need to include the following documentation along with your application:

- Proof of each household member's identity
- A valid Social Security Number for each household member
- Proof of residence
- A fuel and/or utility bill if you pay for heat or proof that you pay rent which includes heat
- Documentation of income for all household members

Please see page 6 of the application instructions for specific types of acceptable documentation. In addition, new applicants will also need to have an interview; and you can choose either a phone interview or an in person interview. However, if you do choose a phone interview, please include a working phone number and the best time to contact you for a phone interview on Page 1 of your application.

All applications for heating equipment repair or replacement must be in person with full documentation.

#### WHERE TO APPLY:

You must apply in the county in which you currently reside. You can apply in person or mail in your application at the address stamped at the top of the application or can find other local certifiers by checking our website at: <a href="http://www.otda.ny.gov">http://www.otda.ny.gov</a>.

### **MY BENEFITS**

You may apply for HEAP online by going to <a href="https://www.mybenefits.ny.gov">https://www.mybenefits.ny.gov</a>. Once your application for HEAP is submitted, you can check the status of your application on-line by using your secure online account at <a href="https://www.mybenefits.ny.gov">https://www.mybenefits.ny.gov</a>. If your application is approved the amount of the benefit is provided. You may be eligible for food assistance. Check your eligibility and apply for SNAP at <a href="https://www.mybenefits.ny.gov">https://www.mybenefits.ny.gov</a>. Additional information about HEAP and other human services programs can be found at <a href="https://www.mybenefits.ny.gov">https://www.mybenefits.ny.gov</a>.

#### How will my benefit be paid?

If you are approved and you pay for heat, your payment will be sent to your heating fuel vendor. Your eligibility notice will include the name of the vendor. If the vendor listed is not correct, notify the local Social Services District immediately. In some cases, your benefit will be paid to your electric company if heat is included in your rent. Your notice will tell you the amount of the benefit, how it will be paid, and how it was calculated.

Vendors are not permitted to make deliveries until payment is received or until instructed to do so by the local Social Services District. Benefits may not be applied to prior deliveries for deliverable fuel sources. If you are in need of fuel before your vendor has received notification or payment, you must contact your local Social Services District.

Regular HEAP benefits are intended to be a one-time supplement to your annual energy costs and are not intended to replace your personal payments. You must continue to pay your energy bills.

#### What is a HEAP Emergency?

- You are out of fuel or have less than ¼ tank of oil, kerosene or propane, or less than a ten (10) day supply of other deliverable heating fuel.
- Your natural gas or electric heat has been shut off or is scheduled to be shut off.
- Applicant owned heating equipment is not working.

#### WHAT IF I HAVE AN EMERGENCY?

HEAP benefits can assist with the following emergencies:

- You are out of fuel or have less than ¼ tank of oil, kerosene or propane, or less than a ten (10) day supply of other deliverable heating fuel.
- Your natural gas or electric heat has been shut off or is scheduled to be shut off.
- Applicant owned heating equipment is not working.

If you have a heating emergency and have applied for, but have not received, your regular benefit, you should contact your local Social Services District after the program opens. Whenever possible, regular HEAP benefits are used first to resolve an energy emergency.

<u>DO NOT WAIT UNTIL YOU ARE OUT OF HEATING FUEL OR YOUR GAS/ELECTRIC SERVICE IS OFF TO REQUEST ASSISTANCE. IF YOUR UTILITY SERVICE IS TERMINATED, YOUR UTILITY COMPANY IS NOT REQUIRED TO RESTORE YOUR SERVICE EVEN IF YOU ARE ELIGIBLE FOR A HEAP BENEFIT.</u>

#### **FAIR HEARINGS**

You have certain rights when filing your HEAP application. You have the right to be told if your application is approved or denied within thirty (30) business days of the date that the HEAP certifier receives your completed and signed application.

The processing time for applications will not begin until program opening even though you may have received an application prior to the program opening date as a part of our outreach effort. You have the right to request a conference and/or a fair hearing if it has been more than thirty (30) business days since the HEAP certifier received your signed and completed application (or it has been more than thirty (30) business days since program opening if the certifier received your application prior to program opening) and you have not been told of the eligibility decision.

If you would like a conference, you should ask for one as soon as possible. At the conference, if it is discovered that a wrong decision was made, or if because of information you provide, the decision has changed our original decision, corrective action will be taken.

If you would like a conference, contact your local social services district at <a href="http://otda.ny.gov/programs/heap/contacts">http://otda.ny.gov/programs/heap/contacts</a>. This is only for requesting a conference. It is not how you ask for a fair hearing. If you ask for or have a conference, you are still entitled to a fair hearing.

The Office of Temporary and Disability Assistance (OTDA) policy issuances and manuals are posted on the OTDA website at otda.ny.gov/legal. These issuances and manuals are available to you or your representative to determine whether a fair hearing should be requested or to prepare for a fair hearing. In addition, upon request to your local social services district, specific OTDA policy issuances and manuals will also be available to assist you or your representative.

If you live anywhere in New York State, you may request a Fair Hearing by telephone, fax, online, or by writing to the address below:

Telephone: Statewide toll-free request number is 800-342-3334. Please have the notice, if any, with you when you call.

Fax: your Fair Hearing request to: 518-473-6735

Online: Complete online request form at <a href="http://www.otda.ny.gov/oah/">http://www.otda.ny.gov/oah/</a>

NYS Office of Temporary and Disability Assistance
Office of Administrative Hearings
P.O. Box 1930
Albany, NY 12201-1930

If you request a fair hearing, NYS will send you a notice of the time and place of the hearing. You have the right to be represented by legal counsel, a relative, friend, or other person, or to represent yourself. At the hearing, your attorney or other representative will have the opportunity to present written and oral evidence, as well as the opportunity to question any persons who appear at the hearing. Also, you have the right to bring witnesses to speak in your favor. You should bring to the hearing any documents that may be helpful in presenting your case.

If you need free legal assistance, you may be able to obtain such assistance by contacting your local Legal Aid society or other legal advocate group. You may locate the nearest Legal Aid society or advocate group by checking the yellow pages under "lawyers".

You have the right to review your case record. Upon your request, you have the right to free copies of documents that your local Department of Social Services presents into evidence at the fair hearing. Also, upon request, you have the right to free copies of other documents from your case record that you need for your fair hearing. To request such documents or to find out how you may review your case record, contact your local social services district at <a href="http://otda.ny.gov/programs/heap/contacts">http://otda.ny.gov/programs/heap/contacts</a>.

If you need someone who speaks Spanish, contact the NYS OTDA Hotline at 1-800-342-3009.

## Will My Regular Cash Benefit Change? (Restriction Determination):

We intend to pay the energy allowance portion of your grant directly to the utility service provider on your account. The amount of the energy allowance depends on your Cash Assistance household size and is shown in the chart provided. This direct payment to your utility company is called a restriction. The reason for this is that you failed to pay your utility bills, fuel bills, rent and/or mortgage with that portion of your cash grant that you get for these purposes. While your Cash Assistance case is open, the Agency will pay your entire utility bill, including any amount over the energy allowance portion of your grant. The amount HRA pays your utility service provider which exceeds the portion of your grant intended for your utility service will be taken from your future cash benefits until that amount is paid back.

We will send you a Notice of Intent to Restrict Home Energy Allowance (**M-858c**), which will specify the amount to be restricted. This notice will also explain how you can challenge the restriction decision if you disagree with it and inform you of your rights to a Fair Hearing.

The energy allowance portion of your grant will not be restricted at this time. You must continue to pay your utility bills.

Note: Regulations require that you immediately notify this department of any changes in needs, income, resources, living arrangements or address.

YOU HAVE THE RIGHT TO APPEAL THIS DECISION.
BE SURE TO READ THE CONFERENCE AND FAIR HEARING INFORMATION SECTION OF THIS NOTICE FOR HOW TO APPEAL THIS DECISION.

## **HOW IS MY HEAP BENEFIT CALCULATED?**

If your heat is included in your rent, your regular HEAP benefit is based on your household's gross monthly income.

If you pay for heat directly, your regular HEAP benefit is based on the following factors:

- Your household's gross monthly income.
- The presence of an individual who is under age 6, age 60 or older, or disabled.
- Primary heating source type.

Emergency HEAP benefits are calculated based on the following factors:

- The type of emergency situation.
- The number of people in your household.
- Your household's gross monthly income and income level.
- Primary heating source type.

The information in the following pages explains in more detail how your specific HEAP benefit has been decided.

This decision is based on New York Social Services Law § 97, 18 N.Y.C.R.R. Part 393, and the current NYS HEAP State Plan. The State Plan is available online at the New York State Office of Temporary and Disability Assistance website at: <a href="http://otda.ny.gov/programs/heap/">http://otda.ny.gov/programs/heap/</a>.
