POLICY BULLETIN #10-50-OPE

CENTRALIZATION OF ADULT PROTECTIVE SERVICES (APS) APPLICATION PROCESSING

Date: May 19, 2010	Subtopic(s): APS
☐ This procedure can now be accessed on the FIAweb.	The instructions in this policy bulletin are to inform staff at the Special Project Job Center (Center 80) of a centralized processing unit that will process Cash Assistance (CA) applications submitted by Adult Protective Services (APS). They are informational for all other staff.
	Previously, the applications of individuals and families interviewed and serviced by APS were handled by hub sites in each of the five boroughs. APS borough liaisons would submit the application to the respective Job Center. Now, the centralized unit at Center 80 will process CA applications submitted by APS. APS borough liaisons will no longer be required to submit CA applications in person to a Job Center.
	APS staff will continue to interview and collect documentation for their applicants. If an applicant makes a request to APS for a one-shot deal or ongoing CA, APS will:
New Process	 interview the applicant, collect all documentation needed to determine eligibility, scan the application (LDSS-2921) and documents into the HRA One Viewer (Viewer) and index the documents based on the applicant's Social Security Number (SSN), and annotate the APS Electronic Activity Log created for this process.
	Note : Some of the scanned documents are confidential and will have a security level that restricts viewing to only the staff of APS, Rental Assistance Unit (RAU), and the centralized unit. All other scanned/indexed documents will be public in the Viewer.

- APS 4 (Queens)
- APS 5 (Staten Island)

FIA centralized unit staff will:

- copy and paste the information from the APS Activity Log onto the FIA Electronic Activity Log (see attached sample [Attachment B]).
- use the SSN of the applicant indicated on the log to search for documents in the Viewer.
- register the application per current procedure.
- update the log accordingly as the case is processed (APS will access the log in order to ascertain the status of an application).
- make an eligibility decision on the application based on information and documentation provided by APS.
- prepare checks (if requests are approved) as automatic E-checks routed to the Landlord Ombudsman Service Unit (LOSU).

Note: All checks will be delivered to LOSU on the next business day and LOSU will return the checks to Center **80**. Upon receipt of the checks, centralized unit staff will contact APS to pick up the checks for delivery to the respective vendor (e.g. Con Ed, landlord, etc).
