CA single issuance code **G5** is systematically generated by New York and is now disabled in the **Grants** section in POS.

SNAP Issuance Codes 14 (Monthly SNAP Benefit) and 16 (Monthly SNAP Benefit)

New business rules prevent improper usage of the SNAP Issuance Codes **14** for CA/SNAP cases and NCA Issuance Code **16** for SNAP-only cases in the **Grants** section in POS: **Single Issuance Grant To Date cannot be later than next month.**

3. FHEPS Updates

The following updates will be done for FHEPS cases in this release:

- New alerts
- FHEPS data entry window
- Addition of Good Cause
- New data entry window for FHEPS Referral to Community Based Organizations (HRA-146o)

- New message to remind the HDU (Homeless Diversion Unit) Worker that new income should be budgeted in the **HDU Shelter Arrears** window – New income found during the HDU interview must be budgeted for active cases when applicable.

FHEPS data entry window update

The data entry window, **Has Additional Expenses (including FHEPS)**, was updated to add a new option of **Referral for Rent Arrears Only – No application** in the **Reason for FHEPS Application** drop-down menu. When this option is selected and the case is submitted to RAD (Rental Assistance Database) by the Supervisor, the case is assigned to RAU (Rental Assistance Unit), rather than the FHEPS Centralized Determination Unit (FCDU).
