The wording in the EAF Eligibility Determination Checklist has been changed from "Is there at least one child under the age of 18, or age 19" to "Is there at least one child under the age of 18 or age 18 and attending full-time secondary school, who is currently residing with an adult caretaker who is related by blood, marriage or adoption?"
	In addition, revisions have been made to the following forms to reflect the recent policy changes:

POLICY

EAF is a federally funded program dedicated to meeting the emergency needs of families with children. The emergency situation must be a result of a sudden occurrence or set of circumstances requiring immediate attention and individuals claiming an emergency need must have a same-day interview.

Eligibility Criteria

REVISED INFORMATION

To be eligible for EAF, the household must contain either an individual with a medically verified pregnancy or a child under the age of 18 or age 18 and attending full-time secondary school or the equivalent level of vocational or technical training. In addition, the following criteria must be met:

- The child must be currently living with an adult related by blood, marriage or adoption;
- The child, parents or other eligible relatives are without immediately accessible resources necessary for meeting their needs, and those needs cannot be met by an advance allowance;
- The child is facing destitution or requires emergency assistance to provide living arrangements for him/her in a home; and
- The emergency could not have been foreseen by the applicant and was not under his/her control.

Note: Utility payments are not subject to the "sudden and unforeseen" EAF requirement.

EAF cannot be granted in the following instances:

- When the emergency is the result of a refusal to accept employment or training for employment without good cause;
- When the emergency is the result of mismanagement of the public assistance grant; or
- When it replaces or duplicates assistance for which a person would otherwise be eligible were it not for an employment or other program sanction.

Please note: If the emergency assistance <u>does not</u> include the share of the person in sanction status and the amount of the assistance would be sufficient to overcome the household's emergency, EAF <u>can</u> be granted.

Financial Eligibility

Financial eligibility for EAF is not based on financial eligibility for public assistance, but rather on actual income and resources available to meet the emergency need.

In order to be financially eligible for EAF, all applicants must meet the following requirement:

The gross <u>available</u> income of the applicant <u>on the date of application</u> must be at or below 200 percent of the Federal poverty level for that household size <u>and</u> the applicant must be without the resources (income, money on hand, bank accounts, etc.) to meet the emergency need.

The gross available income standards do not apply to households receiving child protective, child preventative or any other child welfare services paid for under EAF. Such households must, however, include one member in receipt of Public Assistance (PA) or Supplemental Security Income (SSI) at the time of the EAF determination.

EAF is generally provided as a nonrecoupable grant. However, shelter payments made in excess of the Agency maximum for that household size are recoupable. In addition, Non-Public Assistance households ("one-shot deals") are required to sign the Repayment Agreement One-Time Utility Arrears Payment (EAF/E-SNA) (W-147X) to be eligible for utility assistance granted under EAF.

REQUIRED ACTION

When assessing eligibility for payments under EAF, Workers must determine whether or not income and/or resources sufficient for meeting the needs of the household are available.

W Refer to EXP-76D

 If sufficient income and/or resources are available, determine if the available income or resources are at or below 200 percent of the Federal poverty level for the date of application for that household (refer to the 2004 Federal Poverty Level Guidelines [EXP-76D]).

The Worker must complete the W-145TT to determine if the applicant is eligible for an EAF grant.

If the applicant's <u>available</u> gross income on the date of application is above the 200-percent Federal poverty level guideline for that family size, assistance under EAF cannot be granted and alternative solutions must be sought. Workers should explore other types of assistance available such as Emergency Safety Net Assistance (ESNA).

Note: ESNA is available to meet emergency needs of households not eligible for EAF, ongoing public assistance, Emergency Assistance for Adults (EAA) or Home Energy Assistance Program (HEAP). The Worker must complete the Repayment Worksheet (W-147G) to determine if the applicant is required to sign a repayment agreement for a one-time utility arrears payment under the Emergency Safety Net Assistance (ESNA) or EAF programs.

Please note that the Repayment Agreement (W-147H) is used for one-time shelter arrears payments under the ESNA program.

Refer to PB #04-33-

Workers are reminded that EAF applicants <u>must be</u> finger-imaged and referred to the Bureau of Eligibility Verification (BEV) (see PB #04-33-ELI).

LLI Refer to PB #04-40-

The Action Taken on Your Application: Public Assistance, Food Stamp Benefits and Medical Assistance (NYC) (LDSS-4013A and LDSS-4013B NYC) must be issued to inform the applicant about public assistance eligibility determination (refer to PB #04-40-ELI).

PROGRAM IMPLICATIONS

Paperless Office System (POS) Implications There are no POS implications.

Food Stamp Implications

Workers must ask all individuals applying for emergency assistance only (one-shot deal) who are not in receipt of food stamps and who have not indicated on the application that they have a food emergency or wish to apply for Food Stamp (FS) benefits, if they want to apply.

If the answer is "no," Workers must make a case entry clearly indicating that the individual was offered this option.

If the answer is "yes," an application for food stamps must be filed. The Worker must also ensure that the household has been screened for expedited processing of the FS application and that the FS benefits are made available within the required time frame.

If the application for emergency assistance is denied or the case is closed because the emergency need has been met, a separate FS determination must be made. Be sure to complete the LDSS-4013B NYC for EAF applicants that are also applying for food stamps.

Medicaid Implications

There are no Medicaid implications.

LIMITED ENGLISH SPEAKING ABILITY (LESA) IMPLICATIONS

For Limited English Speaking Ability (LESA) applicants/participants, make sure to obtain appropriate interpreter services in accordance with Policy Directive #02-43-OPE. Supervisors must also ensure the following actions are taken:

- At application/recertification, that the applicant/participant submits a completed Language Questionnaire (W-680FF) and that his/her language is correctly recorded in WMS.
- Selected forms have been translated and are available on the FIAweb in Arabic, Chinese, Haitian Creole, French, Korean, Russian, Vietnamese and Yiddish (in addition to Spanish).
 Workers must provide both the appropriate translated form and the English version of a form to applicants/participants whose primary reading language is one of the translated languages.
- For POS Centers, when a multilingual form is not available in POS, a manual form is completed. When imaging forms for the case record, make sure to include both the English and the translated version of the form. The W-680FF must be included in the imaged case record.

FAIR HEARING IMPLICATIONS

Avoidance/ Resolution

Applicants/participants are entitled to request a Fair Hearing regarding the denial of benefits. Remember to give the participant an opportunity to resolve the issue. Check the budget to ensure accuracy and make every attempt to help the individual understand the action being taken.

Conferences

If an applicant receives a notice and comes to the Job Center to request a conference, the Receptionist must inform the Fair Hearing and Conference (FH&C) unit that the individual is to be seen by an FH&C Supervisor I/Associate Job Opportunity Specialist I (AJOS I). If the participant contacts the Worker/Job Opportunity Specialist (JOS) directly, the Worker/JOS must advise the individual to call the FH&C unit.

The FH&C AJOS/Supervisor I will listen to and evaluate the applicant/participant's complaint. After reviewing the case file and discussing the issue(s) with the JOS/Worker responsible for the case and/or the JOS/Worker's Supervisor, s/he will determine if the action taken was correct. If the determination is that the action taken was

correct, the FH&C AJOS/Supervisor I will explain the reason for the determination to the applicant/participant. If the explanation is accepted, no further action is necessary. The AJOS/Supervisor I must complete a Conference Report (M-186a).

If the determination is that the action taken was incorrect or correct but lacking the supporting documentation, the FH&C AJOS/Supervisor I will settle in conference (SIC), enter detailed case notes in NYCWAY and forward all verifying documentation submitted by the applicant/participant to the appropriate JOS/Worker for corrective action to be taken. In addition, if the adverse case action still shows on the Pending (08) screen in WMS, the AJOS/Supervisor I must prepare and submit a Fair Hearing/Case Update Data Entry Form (LDSS-3722) if the case has been granted aid continuing (ATC) to change the 02 to an 01, or a PA Recoupment Data Entry Form (LDSS-3573) to delete a recoupment. The M-186a must also be prepared.

Evidence Packets

All evidence packets must include documentation regarding the request for emergency assistance such as pay stubs, an employer letter or other proof of income. The agency's decision on the request must also be included in the packet.

All Evidence Packets must contain a detailed history, copies of relevant WMS screen printouts, other documentation relevant to the action taken and copies of NYCWAY Case Notes screens.
