POLICY DIRECTIVE #06-07-ELI

(This Policy Directive Replaces PD #04-10-ELI)

MAILED AND FAXED PUBLIC ASSISTANCE AND/OR FOOD STAMP APPLICATIONS

Date: April 7, 2006	Subtopic(s): Eligibility
REVISION TO ORIGINAL DIRECTIVE	This policy directive has been revised to reflect the following updates and changes:
	 The attached NPA/MICSA Food Stamp Site Directory and Job Center Directory have been updated to include current addresses and phone numbers.
	 All references to Non–Paperless Office System (POS) Centers were removed. Removed Tracking Application Process.
	 Public Assistance (PA) case Rejection Code 286 and Food Stamp Rejection Code 258 are now obsolete and have been replaced by Reject Code E10.
	 The Food Stamp Application Expedited Processing Summary Sheet (LDSS-3938) has replaced the Food Stamp Benefits Expedited Processing Screening Sheet (W-140K). The language of the Fair Hearing Implications section has been
	modified to express current practice.
AUDIENCE	The instructions in this policy directive are for Job Center and Non-Public Assistance (NPA) Food Stamp (FS) Office staff and are informational for all others.
POLICY	Any person has the right to submit an application for PA and/or food stamps in person, through an authorized representative, by mail and/or by facsimile (fax).

HAVE QUESTIONS ABOUT THIS PROCEDURE? Call 718-557-1313 then press 2 at the prompt followed by 765 or send an e-mail to *FIA Call Center*

Distribution: X

The application must contain, at a minimum, the applicant's name, address (if s/he has one) and signature.

For PA purposes, individuals who apply by mail or fax must have an initial interview no later than the seventh day of application and for FS purposes, no later than the 30th day of application. The day the application is received by the Agency is day one.

Failure to have an initial eligibility interview within the above-specified time frame for each program, without good cause, will result in the denial of cash assistance and/or FS benefits.

REQUIRED ACTION

Workers at Job Centers and NPA FS Offices must provide the mailing address or fax number to any person requesting this information for the purpose of filing a PA or NPA FS application by mail or fax. A list of all the Job Centers and NPA FS Offices with their mailing address and fax number(s) has been attached for Workers to use in complying with this directive.

The Request for Contact on a Mailed or Faxed Application (**W-119**) must be sent, advising applicants who submit an application by mail or fax of the following:

- That their application has been received;
- The date and time of their initial eligibility interview; and
- Whether their household is eligible for Expedited Food Stamp (EFS) service based on the information submitted on the application.

Workers must also send the Eligibility Factors and Suggested Documentation Guide (W-119D), indicating which eligibility factors the applicant will be required to verify.

When an individual mails or faxes an application for PA and/or FS, the following actions must be taken:

Job Centers

When a PA application is received via mail or fax, it will be forwarded to a designated Worker in the Center. This Worker is responsible for ensuring that the appropriate process below is followed:

Application registration

 Register the application in POS with the date the Agency receives the application as the application filing date. If an application is faxed after the Center's business hours, the application file date is the next business day.

EFS screening

 Screen the application for EFS in POS using the EFS activity or using the LDSS-3938 if POS is down. If the household is eligible for FS processing on an expedited basis, indicate it on the W-119.

- Schedule an Initial (I) interview as follows:
 - Start the Schedule Appointments activity and schedule the application interview within seven days after the date the application is received.
 - In the Comments window indicate that this is a mailed or faxed application.
 - Enter a case comment by clicking on the Case Comments icon
 or pressing <ALT>M on the keyboard and entering the following:
 - The date the application was received; whether it was received as mail or fax;
 - Whether there was enough information in the application to complete an EFS screening.
- Complete and send the applicant the W-119 and W-119D.
- Scan the mailed/faxed <u>paper</u> application and any accompanying documents into the electronic case record.

Failure to keep initial eligibility interview

Revised: **E10** replaces PA RJ Code **286** and FS RJ Code **258**.

If the applicant fails to come in for an initial eligibility interview within the required time (seven days from the date of application) and does not request either a homebound interview because s/he is unable to report to the center due to a disability, or a waiver of the in-office interview due to a hardship:

- Reject the PA case with Code E10 (Failure to Keep/Complete Interview: No Scheduled Appointment). Reject the FS portion of the application with Code E10 (Note E10 will clock down to the 30th day).
- Prepare and send the Food Stamps Request for Contact/Missed Interview (LDSS-4753) form.

Note: The Action Taken on Your Application: Public Assistance, Food Stamp Benefits and Medical Assistance Coverage (NYC) (LDSS-4013A NYC) and the Action Taken on Your Application: Public Assistance, Food Stamp Benefits and Medical Assistance Coverage (LDSS-4013B NYC) forms will be generated by the Client Notification System of WMS.

Once the actions to reject the case have been processed in WMS, if the affected individual or household reapplies for assistance within 30 days of the previous application date, the designated Worker must follow the instructions detailed in PD #04-11-ELI.

3

NPA FS Offices

Mailed applications received by the Mail and Processing Unit (MPU) or applications faxed to the Site Manager's office will be immediately forwarded to the NPA Reception Unit. The date the application is received becomes the date of application.

The Reception Unit will be responsible for:

- Registering the case in WMS <u>using the date the application was</u> received as the file date;
- Screening the application for EFS eligibility using the LDSS-3938;
- Scheduling an initial eligibility interview within five (5) days of the date the application was received if the household appears to be eligible for EFS benefits; or
- Scheduling the applicant for the next available appointment if it appears s/he is ineligible for EFS benefits;
- Informing the applicant of the scheduled "I" interview by phone or by mail using the W-119 and the W-119D if the applicant cannot be reached by telephone;
- Maintaining a tickler file for all mailed and faxed applications;
- Sending the Food Stamp Request for Contact/Missed Interview (LDSS-4753) to any applicant who fails to keep the initial eligibility interview;
- Entering Code E10 (Failure to Keep/Complete Interview: No Scheduled Appointment) to reject a case in instances where the applicant fails to report to the initial interview and does not request a waiver of the in-office interview due to hardship. Hardship includes, but is not limited to, illness, transportation difficulties, care of a household member, prolonged severe weather or work or training hours that prevent the applicant from coming during regular hours.

The **LDSS-3938** has replaced the **W-140K**.

Mail forms **W-119** and **W-119D** to applicant.

PROGRAM IMPLICATIONS

Model Office Implications There are no Model Office implications.

Medicaid Implications Failure of the applicant to keep an initial eligibility interview for public assistance in person or through an authorized representative will disqualify him/her from Medicaid eligibility.

LIMITED ENGLISH SPEAKING ABILITY (LESA) AND HEARING IMPAIRED IMPLICATIONS For Limited English Speaking Ability (LESA) and hearing-impaired applicants, make sure to obtain appropriate interpreter services in accordance with PD #05-37-OPE and PD #05-40-OPE.

FAIR HEARING IMPLICATIONS

Avoidance/ Resolution Ensure that all case actions are processed in accordance with current procedures and that electronic case files are kept up to date. Remember that applicants must receive either adequate or timely and adequate notification of all actions taken on their case.

Conference at the Job Center

An applicant can request and receive a conference with a Fair Hearing and Conference (FH&C) AJOS/Supervisor I at any time. If an applicant comes to the Job Center requesting a conference, the Receptionist must alert the FH&C Unit that the individual is waiting to be seen.

The FH&C AJOS/Supervisor I will listen to and evaluate any material presented by the applicant, review the case file and discuss the issue(s) with the JOS/Worker responsible for the case and/or the JOS/Worker's Supervisor. The AJOS/Supervisor I will explain the reason for the Agency's action(s) to the applicant.

If the determination is that the applicant has presented good cause for the infraction or that the outstanding Notice of Intent needs to be withdrawn for other reasons, the FH&C AJOS/Supervisor I will settle in conference (SIC), enter detailed case notes in NYCWAY and forward all verifying documentation submitted by the applicant to the appropriate JOS/Worker for corrective action to be taken. In addition, if the adverse case action still shows on the "Pending" (08) screen in WMS, the AJOS/Supervisor I must prepare and submit a Fair Hearing/Case Update Data Entry Form (LDSS-3722), change the 02 to an 01 if the case has been granted aid continuing (ATC), or prepare and submit a PA Recoupment Data Entry Form (LDSS-3573) to delete a recoupment. The AJOS/Supervisor I must complete a Conference Report (M-186a).

If the determination is that the applicant has not shown good cause for the infraction or that the Agency's action(s) should stand then the AJOS/Supervisor I will explain to the applicant why s/he cannot settle the issue(s) in conference (SIC). The AJOS/Supervisor I must complete an **M-186a**.

Should the applicant elect to continue his/her appeal by requesting or proceeding to a Fair Hearing, already requested, the FH&C AJOS/Supervisor I is responsible for ensuring that further appeal is properly controlled and that appropriate follow-up action is taken in all phases of the Fair Hearing process.

Conference at the NPA FS Office

If an applicant comes to the Food Stamp Office and requests a conference, the Receptionist must alert the Site Manager's designee that the applicant is to be seen. If the applicant contacts the Eligibility Specialist directly, advise the applicant to call the Site Manager's designee.

The Site Manager's designee will listen to and evaluate the applicant's complaint regarding the case denial. After reviewing the documentation and case record and discussing the issue with the Group Supervisor/Eligibility Specialist, the Site Manager's designee will make a decision. The Site Manager's designee will decide to resolve or defend the case based on all factors and on whether the case was denied appropriately. The Site Manager's designee is responsible for ensuring that further appeal by the applicant through a Fair Hearing request is properly controlled and that appropriate follow-up action is taken in all phases of the Fair Hearing process.

Evidence Packets for the Job Center

All Evidence Packets must contain a detailed history, copies of relevant WMS screen printouts, other documentation relevant to the action taken and copies of NYCWAY "Case Notes" screens, when applicable.

Evidence Packets for the NPA FS Office

All Evidence Packets for NPA FS Offices must include the returned envelope, address verification, WMS screen printouts, notices sent and any other pertinent information to support the Agency's action.
