POLICY

Revised

Mail-in voter registration forms should be sent directly to the New York City Board of Elections by the applicant/participant.

The adult (an individual 18 years of age or older) casehead of every CA and FS household must be offered assistance in registering to vote. This can be done by giving him/her Form **NVRA-05** during application/recertification and when he/she reports a change of address. Mail-in voter registration forms should be offered to caseheads who do not wish to register to vote at the Center. They should be made available to all other adult household members upon request.

Note: Voter registration assistance may also be offered to a 17-year-old household member who will turn 18 before the end of the year during which the CA and/or FS interview is held.

BACKGROUND

Revised

The National Voter Registration Act (NVRA) of 1993 was enacted in an attempt to increase the number of registered voters throughout the country and enhance voter turnout in elections. It required states to offer voter registration assistance in all offices that provide state-funded assistance to the public. The act also allowed individuals to register to vote by mail using “mail-in” forms distinctly developed by each state and the Election Assistance Commission. Chapter 659 of the New York State laws of 1994 conformed State law to the NVRA of 1993 by mandating designated city and state agencies to offer the individuals they service the opportunity to register to vote. The New York City Human Resources Administration (HRA) is designated as a participating voter registration agency and is mandated to provide each individual with assistance and confidentiality in the completion of voter registration forms.

In order to register to vote in New York City, an individual must:

- be a United States (U.S.) citizen (this includes persons born in Guam, Puerto Rico, and the U.S. Virgin Islands);
- be at least 18 years of age before the next election (individuals under the age of 18 are ineligible to vote in any city, state, or federal election);
- have been a New York City resident for at least 30 days;
- not be serving a jail sentence or be on parole for a felony conviction;
- not have been judged mentally incompetent by a court; and
- not claim the right to vote outside of the City of New York.

**REQUIRED
ACTION**

Workers must explicitly offer all CA and FS applicants/participants the opportunity to register to vote. Voter registration services are to be provided at application, recertification, and at any time a change of address is reported.

Applicants/participants can register to vote by using Form **NVRA-05** which is attached to all CA and NCA FS application/recertification forms. Form **NVRA-05** is available in English, Spanish, Chinese, and Korean.

The purpose of Form **NVRA-05** is to offer persons who come to designated city/state offices for agency-related business the opportunity to:

- register to vote in New York State;
- record a change in name or address since the last time the person voted; and/or
- enroll in a political party or change party affiliation.

Job and NCA FS Centers are required to offer the opportunity to register to vote to the following individuals:

- CA and/or FS applicants/re-applicants;
- CA and/or FS participants who are recertifying;
- Any homeless applicant/participant who can provide an address where he/she is residing. This includes all non-traditional dwellings and habitations (e.g., staying with a friend, relative, or living at a shelter);
- Any CA and FS applicant/participant reporting a name or address change since the last time he/she voted.

Revised

Job and NCA FS Center staff must provide the following voter registration services:

Workers must include Form **NVRA-05** in all mailings containing copies of CA and/or FS application and recertification forms sent to individuals who do not apply/recertify for benefits in person.

- Distribution of Form **NVRA-05** to all adult caseheads applying/recertifying for benefits or reporting a change of address in person;
- Distribution of Form **NVRA-05** by mail to all adult caseheads not applying/recertifying for benefits in-person. The Worker should request that the applicant/participant return Form **NVRA-05** to the Center along with his/her CA and/or FS application or recertification form;
- Distribution of the “mail-in” voter registration form to all adult caseheads updating address information over the telephone and to all other adult household members upon request. The Worker should instruct the CA and/or FS participant/household member receiving the “mail-in” form to send it directly to his/her local Board of Elections;
- Provision of information concerning voter registration requirements; and
- Assistance in the completion of NYS voter registration forms, unless declined by the applicant/participant. Workers are to request that applicants/participants check the appropriate box in the upper left corner of Form **NVRA-05** then sign and date. The section on the upper left corner of Form **NVRA-05** should be completed whether or not the individual wishes to register.

Applicants/participants should never be denied the opportunity to register to vote.

Note: Although a Worker should inform an applicant/participant of the voter registration criteria (on pages 2 and 3 of this directive), it is ultimately the responsibility of the New York City Board of Elections to determine whether an individual is eligible to register to vote. If an applicant/participant who does not meet the voter registration criteria insists on submitting a voter registration form, the Worker must accept it and submit it to the Board of Elections for final determination.

Revised

Job and NCA FS Center staff are prohibited from:

Voter registration is not an eligibility requirement for determining CA or FS benefits.

- offering advice related to political preference or party affiliation;
- displaying personal views about political preference/party affiliation;
- discouraging applicants/participants from registering to vote; and
- determining benefit eligibility based on voter registration.

Revised

Providing Voter Registration Assistance at Job and NCA FS Centers

Voter registration forms cannot be completed in POS, therefore, Workers must print a copy of Form **NVRA-05** and follow the steps outlined in this procedure.

The same level of assistance provided to individuals completing CA and/or FS application/recertification forms must be offered to applicants/participants completing voter registration forms.

A Worker providing voter registration assistance at Job and NCA FS Centers must:

- present Form **NVRA-05** to the applicant/participant;
- ask the individual, “If you are not currently registered to vote where you live now, would you like to register to vote here today?”;
- after asking the above question, make the following statements to the same individual:
 - "Applying or declining to register to vote will have no affect on the assistance that will be provided to you by this Agency”; and
 - “If you would like help in filling out the voter registration application form, I can help”.

If the applicant/participant would like to register to vote the Worker must:

- ask the individual to check the “YES” box, sign (in blue or black ink only) and put the date in the upper left corner of Form **NVRA-05**;
- check to ensure the following sections are complete and contain clearly printed information:
 - Citizenship status
 - Name (first name, middle initial, and last name)
 - Home address (address where the applicant/participant lives)
 - Mailing address (if different from home address)
 - Date of birth
 - Telephone number (if available)

Note: If the applicant/participant does not have the information to complete one of the above sections, the Worker should offer him/her a mail-in voter registration form. If the applicant/participant insists on submitting a form with missing information, the Worker must accept it and forward the form to the Voter Registration Site Coordinator if it at least contains a signature and date.

- provide the individual with a Voter Information Card (**NVRA-02**);
- inform the individual that he or she should receive a response by mail from the Board of Elections in approximately six weeks; and
- hand deliver the completed forms to the Voter Registration Site Coordinator (or place them in the designated basket) on the same day that the individual is interviewed. If the application/recertification for CA or FS is deferred, detach the completed voter registration form and hand deliver it to the Voter Registration Site Coordinator (or place in the designated basket) with the other completed forms.

All signed and dated voter registration forms must be forwarded to the Voter Registration Site Coordinator on the same day they are received even if the application or recertification for benefits is deferred.

Note: If a CA and/or FS participant would like to register to vote, or update his/her voter registration information, but is not due for a recertification interview, offer that individual the same assistance as described above.

If the individual declines assistance in registering to vote, have him/her complete one of the following steps:

- If the individual declines assistance with registering to vote because he/she has already registered at his/her current address, ask him/her to check “Already Registered” on Form **NVRA-05**;
- If the individual declines assistance with registering to vote (for a reason other than already being registered), ask him/her to check “No” on Form **NVRA-05**; or
- If the individual wants a mail-in registration form, ask him/her to check the box that indicates a request for a mail-in registration and give him/her a mail-in voter registration form and Form **NVRA-02**. The Worker must also instruct the individual to mail the voter registration form to his/her local Board of Elections (the locations are listed at the top of the form).

Once the individual has checked the appropriate declination box in the upper left corner of Form **NVRA-05**:

- ask him/her to sign and date the form;

- If the individual refuses to complete any part of the form, do not attempt to coerce the individual to complete the form.
- collect the declination or blank form from the applicant/participant; and
- forward the form to the Voter Registration Site Coordinator or Designee.

Individuals referred by a community-based organization, who bring a pre-typed black and white application form, must also be offered the opportunity to register to vote. If the individual has not completed a voter registration form or does not have one, proceed as instructed above.

Revised

The Role of the Voter Registration Site Coordinator

The Voter Registration Site Coordinator is a staff member designated by the Director/Manager of the Job or NCA FS Center who acts as a liaison between the Center and the Family Independence Administration (FIA) National Voter Registration (NVR) Program Coordinator.

Every Job and NCA FS Center should be staffed with a Voter Registration Site Coordinator and a backup coordinator. Each year the Voter Registration Site Coordinator and backup coordinator must attend a training course conducted by the NYS Board of Elections. Therefore, the Center Director/Manager should immediately notify the FIA NVR Program Coordinator anytime a new Voter Registration Site Coordinator or backup has been designated. The Voter Registration Site Coordinator must also receive training from the FIA NVR Program Coordinator as needed.

The contact information for the FIA NVR Program Coordinator is listed below:

Sally Waldman
 NVR Program Coordinator
 Office of Project Support
 180 Water Street, 19th Floor
 New York, NY 10038
 Telephone: (212) 331-5801
 Fax: (212) 331-4279
 e-mail: waldmans@hra.nyc.gov

The Voter Registration Site Coordinator is responsible for ordering voter registration materials from the New York State Board of Elections.

Revised

Each day the Voter Registration Site Coordinator must complete the following tasks:

- Collect completed voter registration forms along with all signed and dated declinations including those marked “Already Registered”;
- Attempt to resolve all problems and answer any questions that staff may have concerning the voter registration process;
- Ensure that all staff are trained to provide voter registration assistance to individuals;
- Retain a file of declinations/blanks (No/refusal to register, mail-in requests and already registered) that have been signed and dated;

Note: This file should be retained at the Center for 22 months.

- Discard all voter registration forms that have not been signed and dated; and
- Maintain an adequate supply of New York State Board of Elections voter registration materials, including posters, brochures and forms. The NYS Agency-Based Voter Registration Additional Supply Order Form (**NVRA-04**) is to be used for ordering these materials. The form can be sent by fax to (518) 473-8315 or by mail to:

New York State Board of Elections
40 Steuben Street, 4th Floor
Albany, New York 12207

The contact telephone number for the NYS Board of Elections is: (518) 474-1953

Revised

Every Tuesday (or Wednesday, if Tuesday is a holiday), the Voter Registration Site Coordinator must:

- obtain the total number of applicants and participants (recertifying or reporting a change of address) who entered the Center during the previous week;

- obtain copies of the Recertification Recap Report Form (**W-909KK**) from the Assistant Deputy Director of the Job Center, or the **E4 Report Activity** from the NCA FS Center Manager or Designee for the previous week;
- utilize the above-mentioned reports to add the total number of application/recertification interviews for the previous week at the Center as of the close of business on the previous Friday;
- count and separate the NYS Agency-Based Voter Registration forms into the following four categories:
 - Completed voter registration forms;
 - NVR declinations/blanks;
 - NVR forms with the “Already Registered” box checked off;
 - NVR mail-in form requests;
- fax a cover memo signed by the Center Director/Manager along with copies of Forms **NVRA-03**, **W-793A** and **W-909KK** or the **E4 Report** to the FIA NVR Program Coordinator;
- complete Section I of the Agency-Based Voter Registration Transmittal Form **NVRA-03** (the remainder of the form is to be completed by the New York City Board of Elections); and
- mail only those voter registration forms with “YES” checked in the “If you are not registered to vote where you live now, would you like to apply to register here today?” section along with the white and canary copies of Form **NVRA-03** to the NYC Board of Elections (Completed Pink copies of Form **NVRA-03** are to be kept on file at the Center).

Under no circumstance should a completed Voter Registration form be held for more than 10 days.

Note: The completed **NVRA-03** must be submitted to the Center Director/Manager or Designee for review. The Center Director/Manager or Designee must attest to the accuracy of the number of applicants/participants seen and offered voter registration services during the week.

Monitoring by Voter Registration Site Coordinator

The Voter Registration Site Coordinator at the Job or NCA FS Center must survey 5 applicants/participants each week utilizing the NVRA Random Check Form (**W-793A**). This is to document whether individuals entering the Center are being provided with assistance in registering to vote.

The interviews should be brief and limited to the questions listed on the survey only. Form **W-793A** must be completed every week and submitted to the FIA NVR Program Coordinator by the close of business on the following Tuesday.

Completing the Voter Registration Process

The NVR Program Coordinator must review Form **W-793A** and Form **NVRA-03** against Form **W-909KK** (Job Centers) or the **E4 Report Activity** (NCA FS Centers) for accuracy and completeness.

Mandated Signage

See [PD #07-10-OPE](#)

Answers to questions you may have...

How do I know my registration has been received and approved?

You are not registered until your form is approved by the local board of elections. Once registered, your local board of elections, not the agency where you registered, will mail you a card showing your poll location, election district and whether your site is accessible to the disabled. You will be notified if the local board of elections requires more information to determine residency or if you do not qualify at this time. You should contact your local board of elections if you do not receive notification within six weeks or before the election. To obtain the number for your local board of elections or further information call 1-800-FOR-VOTE.

Is my registration permanent, and when do I need to re-register?

You need to re-register only if you move your residence address.

When are the elections and how do I find out where to vote?

Before each election in which you are eligible to vote, you will receive a notice by mail telling you the date and time of the election and your polling site location.

When are polls open?

Polls are open general election day from 6:00 a.m. to 9:00 p.m. On primary day in New York City, Nassau, Putnam, Suffolk, Westchester, Rockland, Orange and Erie counties polls are open from 6:00 a.m. to 9 p.m. In all other counties polls open from 12 noon to 9:00 p.m. on primary day.

Are there people ready to assist me at the polls?

Yes. Election Inspectors at the polling place are there to assist you and will answer any questions you may have or offer instruction upon request.

SAMPLE

How do I cast my vote at the polls?

You must sign the poll register at the inspectors' table when you enter the polling place. To cast your vote simply move the lever above or next to the name of each candidate for whom you wish to vote. Leave the lever down. You may select candidates from any line or column in which their names appear. Other than a write-in, your vote may be changed at any time before you open the curtain. Simply return the lever to the neutral position and press another lever.

What if my name does not appear in the poll book when I go to vote?

If your name does not appear in the poll book you may vote by paper ballot. To vote by affidavit, you will sign an oath on a special paper ballot envelope stating your eligibility and mark a paper ballot and seal it in the envelope. After validation of your eligibility by the board of elections your ballot will be counted.

Is my vote secret?

Yes. Your vote is secret. The number assigned to each voter by the inspectors is not traceable and is used only as a record of how many people have signed in and voted.

What shall I do if I am away on election day or if I am ill or disabled?

If you will be away from your county on election day, or unable to appear at the polls due to illness, you may vote by mail by requesting an absentee ballot application from your county board of elections up to one week prior to the election, or one day before if requested in person. If you are permanently ill or disabled you have the right to receive an absentee ballot for each subsequent election without further application. Simply contact your county board of elections and ask for an application to be placed on the permanent absentee list.
