Forms **W-129F** and **W-129FF** were revised to change the Food Stamp Program to the Supplemental Nutrition Assistance Program (SNAP).

State Notices	In addition to the changes already described, the State is sending the Mass Notice of Intent to Change SNAP October 2012/NYC (see Attachment A) to all SNAP households regarding the October 2012 changes. The notice includes the new gross monthly income standards (130% of federal poverty level) for households subject to six-month reporting rules.
System changes	The Welfare Management System (WMS) has been programmed to reflect the SNAP changes. Most cases were rebudgeted centrally through a mass rebudget on September 16, 2012. Cases that have been rebudgeted have a 10/A/12 budget effective date.
Mass rebudgeting of <u>active</u> cases to reflect changes	<p>As part of the mass rebudgeting process, all stored budgets that are affected by these changes will also be rebudgeted effective 10/A/12.</p> <p>A list of the cases that could not be included in the mass rebudgeting will be forwarded to Regional Managers. Regional Managers will forward the list to the appropriate locations for rebudgeting.</p>

REQUIRED ACTION

Participants

Resolving list of cases that were not mass rebudgeted

When the list of cases that require rebudgeting to reflect the October 2012 changes is received at the Job Center/NCA SNAP Center, the Job Center/SNAP Center Director/designee must ensure that:

- any outstanding actions that prevent the calculation and/or processing of a new budget are resolved immediately,
- these cases are rebudgeted according to the October 2012 changes listed in this policy directive, and
- supplemental benefits, if necessary, are issued retroactive to 10/A/12.

Applicants

When calculating a budget after September 16, 2012, the Worker must:

- calculate a scratchpad budget in WMS to determine the SNAP benefit amount for September 2012 or any prior months,
- place a copy of the scratchpad budget in the case record, and
- calculate and save the regular budget for 10/A/12 to issue future benefits.

Preparing manual budgets

Workers are reminded to use the revised **W-122A**, **W-122AA**, **W-122D**, and **W-122DD** when preparing manual SNAP and bottom-line budgets.

Note: The household must contain at least one SSI/Aged/Disabled household member to use Forms **W-122AA** and **W-122DD**.

To manually determine a household's monthly SNAP allotment:

- calculate the household's net monthly income using Form **W-122A**, **W-122AA**, **W-122D**, or **W-122DD** as appropriate.
- find the monthly SNAP allotment by referencing the **W-129F** or **W-129FF** forms to locate the appropriate income in the "Monthly Net Income" column and reading across to the appropriate household size.

If the computation results in \$1, \$3, or \$5, round up the amount to \$2, \$4, or \$6, respectively. Do not round up computations over \$5.

PROGRAM IMPLICATIONS

Paperless Office System (POS) Implications

POS has been updated to reflect the October 2012 SNAP changes.

Cash Assistance Implications

There are no Cash Assistance (CA) implications associated with the October 2012 SNAP changes. However, the October 2012 increase in CA benefits was run on the same weekend as the October 2012 SNAP mass re-budget. For households in receipt of both CA and SNAP benefits, the October 2012 increase in CA benefits may result in a reduction in SNAP benefits.

Medicaid Implications

There are no Medicaid implications associated with the October 2012 SNAP changes.

LIMITED ENGLISH PROFICIENT AND HEARING IMPAIRED IMPLICATIONS

For Limited English Proficient (LEP) and hearing-impaired applicants/participants, make sure to obtain appropriate interpreter services in accordance with [PD #11-33-OPE](#) and [PD #08-20-OPE](#).

**FAIR HEARING
IMPLICATIONS**

Avoidance/Resolution Ensure that all case actions are processed in accordance with current procedures and that electronic case files are kept up-to-date. Remember that participants must receive either adequate or timely and adequate notification of all actions taken on their case.

Conferences at Job Centers A participant can request and receive a conference with a Fair Hearing and Conference (FH&C) AJOS/Supervisor I at any time. If a participant comes to the Job Center requesting a conference, the Receptionist must alert the FH&C Unit that the participant is waiting to be seen. In Model Centers, the Receptionist at Main Reception will issue an FH&C ticket to the participant to route him/her to the FH&C Unit and does not need to verbally alert the FH&C Unit staff.

The FH&C AJOS/Supervisor I will listen to and evaluate any material presented by the participant, review the case file, and explain the reason for the Agency’s action(s) to the participant.

After reviewing the documentation and case record and discussing the issue with the JOS/Worker responsible for the case and/or the JOS/Worker’s Supervisor, the FH&C AJOS/Supervisor I will attempt to resolve the issue through an explanation of the October 2012 SNAP changes. The FH&C AJOS/Supervisor I is responsible for ensuring that further appeal by the participant through a Fair Hearing request is properly controlled and that appropriate follow-up action is taken in all phases of the Fair Hearing process.

Conferences at SNAP Centers If a participant comes to the SNAP Center requesting a conference, the Receptionist must alert the SNAP Center Director’s Designee that the participant is to be seen. If the participant contacts the Worker directly, advise the participant to call the Designee. The Designee will listen to and evaluate the participant’s complaint regarding the SNAP case.

After reviewing the document and case record and discussing the issue with the Group Supervisor/Eligibility Specialist, the SNAP Center Director’s Designee will attempt to resolve the issue through an explanation of the October 2012 SNAP changes. The Designee is responsible for ensuring that further appeal by the participant through a Fair Hearing request is properly controlled and that appropriate follow-up action is taken in all phases of the Fair Hearing process.

Evidence Packets For Fair Hearing purposes, all complete and relevant evidence packets must include a copy of the State mass rebudgeting notice.

**MASS NOTICE OF INTENT TO CHANGE SNAP
OCTOBER 2012/NYC**

Questions or Help:

Dear SNAP Recipient:

ATTN: Supplemental Nutrition Assistance Program (SNAP) is the new name for the Food Stamp Program.

Beginning October 1, 2012, some items used to figure the amount of SNAP benefits a household gets will change. These changes are the result of federally-required changes to the following standards and deductions. The Standard Deduction for households of 1 to 3 persons will increase by \$2, from \$147 to \$149. The Standard Deduction for households of 4 persons will increase by \$5, from \$155 to \$160. The Standard Deduction for households of 5 persons will increase by \$6, from \$181 to \$187. The Standard Deduction for households of six or more persons will increase by \$6, from \$208 to \$214. The SNAP Maximum Excess Shelter Deduction will increase by \$10, from \$459 to \$469.

The new Standard Utility Allowance (SUA) amounts, as of October 1, 2012 are:

New York City	Old SUA Values	New SUA Values
Heating / Air Conditioning SUA Values	\$736	\$725
Basic Utility SUA Values	\$291	\$287
Phone SUA	\$33 (Unchanged)	

Note: The SUA values other than the Phone SUA include amounts for water, sewage, and trash collection.

These changes may affect the amount of SNAP benefits you get. Depending on your individual circumstance the amount of your monthly SNAP benefit may not change, or it may decrease or increase as a result of these changes.

The maximum amounts of SNAP benefits per household size, known as the "Thrifty Food Plan" amounts, will not change.

The minimum SNAP benefit amount that a one or two-person household currently can receive, \$16.00 per month, will not change.

The Regulations which allow us to do this are 18 NYCRR 387.10, 387.12 and 387.15.

Reporting Rules:

Most SNAP households with income only have to report changes every six months. Every six months, you either will be asked to recertify, or will be mailed a form for you to use to report changes. **The one exception to this rule is if your household's gross monthly income becomes more than 130% of the federal poverty level.** Your gross income is the amount of income before taxes and other deductions are taken out, not the amount you receive when you receive your check. Your total gross monthly income includes all income any member of your household receives during the calendar month.

See Chart below: The dollar amount shown under your household size shows the new 130% of poverty income limit for your household, as of October 1, 2012. If your household's gross monthly income is greater than this amount, you must report the new gross monthly income amount to your social services office by phone, in writing, or in person within 10 days after the end of the month.

Report Household Gross Income Over Income Limits Below Based on Your Household Size:										
HOUSEHOLD SIZE	1	2	3	4	5	6	7	8	9	10
Report if Gross Household Income Goes Over:	\$1211	\$1640	\$2069	\$2498	\$2927	\$3356	\$3785	\$4214	\$4643	\$5072

Some households still must report changes affecting their eligibility for or the amount of their SNAP benefits within 10 days of the month following the month in which the change occurred. You must follow this reporting rule, **if your household receives Temporary Assistance, or if your household has no income at all, or if your household has no income earned from employment and all adults are either over age 60 or disabled, or if you receive SSI/SSD and you live in a state-certified group home. Also, if your household has a seasonal migrant farm worker, or if your household is certified for fewer than four months, or if your household is homeless ("undomiciled", without any shelter).**

YOU HAVE THE RIGHT TO APPEAL THIS DECISION. READ BELOW ON HOW TO APPEAL THIS DECISION.

Estimado(a) beneficiario(a) de SNAP:

AVISO: el Programa de Asistencia Nutricional Suplementaria (SNAP - por sus siglas en inglés), es el nuevo nombre del programa de Cupones para Alimentos.

Comenzando el 1º de octubre de 2012, habrá cambios en algunos de los factores que se usan para determinar la cantidad del subsidio de SNAP que las unidades familiares reciben. Estos cambios son el resultado de cambios requeridos por el gobierno federal en los siguientes estándares y deducciones. La Deducción Estándar para un grupo familiar con 1 a 3 personas aumentará por \$2, de \$147 a \$149. La Deducción Estándar para un grupo familiar con cuatro personas aumentará por \$5, de \$155 a \$160. La Deducción Estándar para un grupo familiar con cinco personas aumentará por \$6, de \$181 a \$187. La Deducción Estándar para un grupo familiar con seis personas aumentará por \$6, de \$208 a \$214. La Deducción Máxima de Asignación por Vivienda de SNAP aumentará por \$10, de \$459 a \$469.

Los nuevos montos del Subsidio Estándar de Servicios Públicos (SUA, siglas en inglés) a partir del 1º de octubre de 2012 son:

Ciudad de Nueva York	Montos antiguos SUA	Montos nuevos SUA
Calefacción / Aire acondicionado Valores SUA	\$736	\$725
Servicios públicos básicos Valores SUA	\$291	\$287
Servicios telefónicos SUA	\$33 (sin cambios)	

Nota: los valores SUA, aparte de la asignación SUA para gastos de teléfono, incluye montos correspondientes a agua, alcantarillado, y recolección de desperdicios

Dichos cambios pueden afectar la cantidad de SNAP que usted recibe. Según su situación en particular, el monto de la subvención mensual de SNAP que usted recibe quizás no se modifique, o puede que disminuya o aumente a consecuencia de estos cambios.

Los montos máximos de la subvención SNAP, según el número de integrantes del grupo familiar, conocido como los montos del «Plan Ahorrativo de Alimentos» (*ThriftyFood Plan*), no cambiará.

El monto mínimo de la subvención SNAP que un grupo familiar compuesto por una o dos personas actualmente puede recibir, \$16 al mes, no cambiará.

Conforme Reglamentación 18 NYCRR 387.10, 387.12 y 387.15.

Reglas sobre informe de cambios

La mayoría de los hogares que reciben SNAP y tienen solamente ingresos, tienen que reportar cambios cada seis meses. Cada seis meses, se le pedirá que ya sea, someta una revalidación o se le enviará por correo un formulario para que usted reporte los cambios. **La única excepción a esta regla es si el monto mensual de ingresos brutos del grupo familiar llega a sobrepasar el 130% del índice federal de pobreza.** Su ingreso bruto es el monto de ingresos antes de descontar impuestos y otras deducciones y no la cantidad que usted recibe cuando cobra su cheque. El monto total de su ingreso mensual en bruto incluye todos los ingresos que los miembros de su grupo familiar reciben durante el mes calendario.

Examine el cuadro a continuación: la cantidad en dólares que se muestra debajo de la casilla que representa el número de integrantes del grupo familiar, muestra el nuevo límite de 130% del índice de pobreza correspondiente al grupo familiar a partir del 1º de octubre de 2012. Si el total mensual de ingresos brutos de su grupo familiar sobrepasa ese monto, usted debe reportar la nueva cantidad mensual del ingreso bruto a su distrito de servicios sociales, ya sea por teléfono, por escrito o en persona dentro de 10 días de finalizar el mes.

Reporte ingresos brutos del grupo familiar que sobrepasen los niveles de ingresos límite que se muestran a continuación según el número de integrantes del grupo familiar										
NÚMERO DE INTEGRANTES DEL GRUPO FAMILIAR	1	2	3	4	5	6	7	8	9	10
Reportar si el ingreso bruto del grupo familiar sobrepasa los:	\$1211	\$1640	\$2069	\$2498	\$2927	\$3356	\$3785	\$4214	\$4643	\$5072

Ciertos grupos familiares deben continuar reportando cambios que afectan la habilitación para recibir SNAP. Dichos cambios deben reportarse dentro de 10 días del mes posterior en el que se dio el cambio. Debe seguir esta regla de reporte de cambios si su grupo familiar recibe Asistencia Temporal; o si su grupo familiar no recibe ningún tipo de ingresos; o si su grupo familiar no percibe ingresos devengados de un empleo y todos los adultos tienen ya sea 60 años de edad o más; o tienen una incapacidad; o si usted recibe SSI / SSD y vive en una residencia grupal certificada por el Estado. Además, si uno de los integrantes de su grupo familiar es trabajador agrícola migrante-estacional o si su grupo familiar ha sido certificado por menos de cuatro meses, o si su grupo familiar está desamparado («sin domicilio», sin albergue).

**Schedule of
Supplemental Nutrition Assistance Program
(SNAP) Issuance**

Effective October 1, 2012

(Households of One to Ten Persons)

How to Determine Monthly Supplemental Nutrition Assistance Program (SNAP) Allotment

To manually determine a household's monthly SNAP allotment:

Calculate the household's net monthly income using the Monthly Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (NCA) (**W-122A**), Monthly Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (NCA – SSI/Aged/ Disabled) (**W-122AA**), Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (CA) (**W-122D**), or the Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (CA – SSI/Aged/Disabled) (**W-122DD**), as appropriate.

Next, find the SNAP allotment by reading the **W-129F** (for households of **one** to **ten** persons) or the **W-129FF** (for households of **eleven** to **twenty** persons) down for the appropriate income and across for the appropriate household size.

Households of **one** and **two** persons who are eligible for SNAP will be eligible for benefits of at least \$16.

To calculate the SNAP allotment manually for household sizes of **21** persons and larger:

- Add \$150 for each additional household member over **20** persons to the maximum allotment for a household of **20** persons to get the maximum allotment for the household size;
- Multiply the household's net monthly income by 30 percent and round the amount up to the next whole dollar if it ends in cents;
- Subtract the amount (30 percent of the net monthly income) from the maximum allotment for the household size;
- If the calculation results in \$1, \$3, or \$5, round up the amount to \$2, \$4, or \$6, respectively.

Reduction Amt: 30%

Supplemental Nutrition Assistance Program
(SNAP) Issuance**

SAMPLE
Effective October 1, 2012

(Households of Eleven to Twenty Persons)

How to Determine Monthly Supplemental Nutrition Assistance Program (SNAP) Allotment

To manually determine a household's monthly SNAP allotment:

Calculate the household's net monthly income using the Monthly Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (NCA) (**W-122A**), Monthly Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (NCA – SSI/Aged/ Disabled) (**W-122AA**), Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (CA) (**W-122D**), or the Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (CA – SSI/Aged/Disabled) (**W-122DD**), as appropriate.

Next, find the SNAP allotment by reading the **W-129F** (for households of **one** to **ten** persons) or the **W-129FF** (for households of **eleven** to **twenty** persons) down for the appropriate income and across for the appropriate household size.

Households of **one** and **two** persons who are eligible for SNAP will be eligible for benefits of at least \$16.

To calculate the SNAP allotment manually for household sizes of **21** persons and larger:

- Add \$150 for each additional household member over **20** persons to the maximum allotment for a household of **20** persons to get the maximum allotment for the household size;
- Multiply the household's net monthly income by 30 percent and round the amount up to the next whole dollar if it ends in cents;
- Subtract the amount (30 percent of the net monthly income) from the maximum allotment for the household size;
- If the calculation results in \$1, \$3, or \$5, round up the amount to \$2, \$4, or \$6, respectively.

Supplemental Nutrition Assistance Program (SNAP) Income Guidelines

NOTE: As of August 29, 2012, any reference to the Food Stamp Program in this notice shall mean the Supplemental Nutrition Assistance Program (SNAP), and any reference to Food Stamps shall mean SNAP benefits.

- SNAP provides your family with assistance when buying food. They are used in place of cash to buy food at grocery stores or supermarkets.
- You don't have to be out of work to apply for SNAP. You can be employed and still be eligible for SNAP.
- You can own your own home and car and still be eligible for SNAP.
- If you are eligible, you will receive SNAP assistance within 30 days. Certain households with little income or savings, or with high shelter costs, can receive SNAP benefits within five days.

Family Size	1	2	3	4	5	6	7	8	Each additional member
Maximum Gross Monthly Income	\$1,211	\$1,640	\$2,069	\$2,498	\$2,927	\$3,356	\$3,785	\$4,214	+ \$429

- These new income limits are effective October 1, 2012.
- The Maximum Gross Monthly Income limits do not apply to SNAP households with an elderly or disabled individual, or if everyone in your household receives SSI, TANF, or SNA, you do not need to meet any income limit. Households that incur dependent care expenses are subject to higher gross income limits.

To file a SNAP application, you may:

- submit an application online through the **ACCESS NYC** website at www.nyc.gov/accessnyc or the **MyBenefits** website at www.mybenefits.ny.gov;
- mail your application to the **Division of SNAP Services, Mail Application & Referral Unit (MARU), P.O. Box 24510, Brooklyn, NY 11201**;
- fax your application to **(917) 639-1111**;
- apply at a participating community based organization (CBO) [call 311 for a listing of participating CBO's]; or
- appear in person during the listed hours of operation for any of the SNAP Centers identified below.

Your SNAP application will be considered as filed if it contains a minimum of your name, address (if you have one), and a signature on the application. When your application is received, you will be contacted to schedule an eligibility interview.

If you are elderly or disabled or have a hardship such as child care, travel or work hours that make it difficult for you to have an in-office eligibility interview, you may request a telephone eligibility interview when we contact you.

Please review the enclosed SNAP Documentation Guide (**W-129G**), which lists some of the more common documents that can be used to verify each of the applicable eligibility factors. If you are mailing the application, please ensure that you enclose copies of all required documentation. If you plan to file the application in person, please bring originals of all required documentation. Providing the required documentation will assist us in expediting the processing of your SNAP application.

Important information regarding certain households:

- Households in which all members receive, or are authorized to receive, FA, SNA and/or SSI benefits are categorically eligible for SNAP benefits because of their status as FA, SNA and/or SSI recipients. The 130% gross income and 100% net income tests are not applied as eligibility criteria to these households.
- Households that are not categorically eligible for SNAP benefits due to their status as FA, SNA and/or SSI recipients can still be categorically eligible for SNAP benefits and exempt from the 100% net income test if they pass the 130% gross income test. If the household contains an aged or disabled member or incurs an out-of-pocket dependent care expense, they are categorically eligible and exempt from the 100% net income test if they pass the 200% gross income test.
- Households with an aged or disabled member that are not categorically eligible due to either of the above criteria, are still exempt from the 130% gross income test, but must pass the 100% net income test to be eligible for SNAP benefits.
- Elderly or disabled members (and their spouses) who are incapable of buying food or preparing meals due to a disability may apply as a separate SNAP unit if the income of the others with whom the individual resides (excluding the income of the elderly or disabled individual and spouse) does not exceed the 165% gross income limit.
