POLICY DIRECTIVE #14-17-OPE

(This Policy Directive Replaces PD #11-20-OPE)

TRANSITIONAL CHILD CARE (TCC)

Date: August 28, 2014	Subtopic(s): Child care, ACS
AUDIENCE	The instructions in this policy directive are for Job Center staff and are informational for all other staff.
REVISION TO THE ORIGINAL DIRECTIVE	<p>This policy directive has been revised to inform staff at the Job Centers that:</p> <ul style="list-style-type: none"> the New York City Administration for Children’s Services (ACS) Transitional Child Care (TCC) Unit is no longer responsible for any case actions on Child Care in Lieu of Cash Assistance (CILOCA) cases. Attachment A is revised to include the CILOCA Eligible Closing Code F98 and to remove the Requested Your Case be Closed Closing Code 242. the form Notice of Intent to Change Child Care Benefits (LDSS-4781) used by the TCC unit to notify the CA participant whose CA case is closing of their eligibility for TCC benefits has been replaced with the Approval of Your Transitional Child Care Benefits (OCFS-LDSS-4785). Language pertaining to guaranteed child care for special needs children over 13 years of age has been removed from this policy directive.
POLICY	The child care guarantee provides assistance to help eligible working families with their child care expenses. Families may be eligible to receive Transitional Child Care (TCC) for up to 12 months after they become ineligible for CA or CILOCA due to an increase in earned income, increase income from child support or by voluntary request.

Call 718-557-1313 then press 3 at the prompt followed by 1 or
send an e-mail to *FIA Call Center Fax* or fax to: (917) 639-0298

BACKGROUND

Families transitioning from CA or CILOCA to self-sufficiency must have their TCC eligibility determined before their case is closed. Households that meet the TCC eligibility criteria must not have their child care assistance disrupted and are not required to file an application for TCC services. This pertains only to cases where the parent/guardian already has child care in place through the Automated Child Care Information System (ACCIS) for all the children in the household at the time of the CA or CILOCA case closing.

TCC assistance must be guaranteed for a period of up to 12 months after a CA or CILOCA case closes if the parent or guardian:

- continues to need child care for an eligible child under 13 years of age in order to remain engaged in work. “Engaged in work” means that an individual:
 - earns wages at a level equal to or greater than the New York State (NYS) and federal minimum wage for their type of employment; OR
 - is self-employed and demonstrates that his/her income is equal to or greater than the NYS and federal minimum wages.
- has income less than two-hundred percent (200%) of the state income standard and
- received CA or CILOCA for three of the six months prior to the case closing; and
- the CA or CILOCA case closed as a result of:
 - increased earned income; or
 - increased income from child support; or
 - the parent/guardian voluntarily closed CA or CILOCA case; or
 - the household has resources in excess of allowable amounts to be eligible for CA or CILOCA.

Refer to **EXP-76D** for income standard less than 200%

Note: Only those who meet all of these criteria are eligible for the TCC guarantee.

Each family must pay a portion of their child care cost each month. This is called a family share. The minimum family share is \$12 per week for part time care and \$15 per week for full time care. If a family’s child care provider charges more than the current market rate, the parent will also be responsible to pay the difference between what the provider charges and the market rate.

See [PD # 13-18-EMP](#) for information on legally-exempt child care providers and WHEDCO.

To continue receiving TCC for up to 12 months, the parent/guardian must pay their family share on time and notify the TCC Unit immediately of any changes that might affect eligibility (i.e. income, work schedule, household composition, employer, child care provider change, etc.). Parents/guardians must use formal child care providers (licensed/registered day care) or legally-exempt child care providers that have been approved by the citywide child care provider enrollment agency (WHEDCO).

Working families who voluntarily close their CA cases *while still financially eligible for CA* are not eligible for TCC but may be eligible for CILOCA. The family will be eligible for TCC once they become financially ineligible for CA and thereby no longer qualify for CILOCA, assuming they meet all other eligibility criteria, or the family voluntarily closes the CILOCA case and is ineligible for CA. Households eligible for TCC or that are potentially eligible for TCC will be handled by the TCC Unit.

New Information

ACS TCC Unit administers TCC benefits

See [PD # 13-19-ELI](#) for information on CILOCA cases.

The ACS TCC Unit no longer handles child care assistance for households accepted for and receiving CILOCA. HRA's FIA Child Care Review Team is responsible for all case actions on a case accepted for CILOCA.

Families that fail to recertify for CA benefits may, without requesting a fair hearing, seek child care assistance under the TCC program for a period of up to 12 months after the closing of the CA or CILOCA case by requesting such directly from the TCC Unit. The TCC Unit will reach out to families receiving child care assistance whose cases have closed for failure to recertify or the families can contact the TCC Unit by calling 212-835-7681.

System Edits in the Automated Child Care Information System (ACCIS)

The following system edits have been implemented for TCC:

- Eligibility for TCC cannot be extended in ACCIS beyond twelve (12) months from the date on which the CA or CILOCA case was closed.
- CA or CILOCA cases that are rejected/closed with fewer than three months (of the prior six months) of receipt of CA or CILOCA are ineligible to receive TCC.

- Only TCC Workers are able to convert a CA or CILOCA case to a TCC case by putting a Y in the Transitional Indicator field in ACCIS. The Reason for Care Code (RCC) and other information will be automatically updated by ACCIS.
- HRA Workers are prevented from making any changes on a TCC case in ACCIS.
- Only CA or CILOCA cases closed with a closing code that is eligible for TCC will be able to receive TCC. See Attachment A, Cash Assistance Closing Codes Eligible for Transitional Child Care.
- Once cases are approved for TCC in ACCIS, the system does a nightly online data refresh/correction of the WMS information. WMS information in ACCIS cannot be modified/alterd by workers.
- New York City Work, Accountability, and You (NYCWAY) will do a weekly check to see if TCC cases have been reactivated for CA by checking case and engagement statuses. The RCC will be updated accordingly and will change the case from TCC to CA, if appropriate.

ACCIS Weekly Exception Reports

If there is a temporary engagement status (i.e., individual is between work assignments, has been dropped from a work assignment, awaiting a TAG referral, etc.) in NYCWAY, the system will update the RCC to 10 (Other) in ACCIS. The cases updated with RCC 10 will appear on a weekly exception report. The Regional office must review these cases and if the individual is awaiting engagement as indicated by a pending call-in appointment/referral with a Future Action Date (FAD), the RCC 10 will remain in place until the FAD expires. When the FAD expires, the reviewer will check for the outcome of the appointment/referral. If the review indicates that child care is still required, the reviewer will update the RCC in ACCIS. If the review indicates that the individual is not engaged in another work-related activity, the reviewer will terminate the child care in ACCIS.

REQUIRED ACTION

In order to seamlessly transition from CA or CILOCA to TCC, information from the CA or CILOCA case must be readily available to the ACS TCC Worker responsible for determining TCC eligibility.

Recipients of CA or CILOCA must not be required to complete a new application for TCC, but may be required to provide relevant information if needed.

JOS/Workers must ensure that all information is complete and accurately entered into POS, WMS, NYCWAY **FIA-3A**, and ACCIS. All documents must be scanned and indexed into the electronic case record before the case closes so that they are available to the TCC Worker. All income must be budgeted and complete child care information must be entered in ACCIS.

Once the case is closed using one of the TCC eligible closing codes (see **Attachment A**), an indicator of “**T**” will appear in the **Transitional Benefit Indicator** field of the **Case Composition** screen in case inquiry (option 22) in WMS.

If a case is reopened to issue a one-time payment to comply with a Fair Hearing (FH) decision or if the individual is applying for a one-shot deal emergency assistance, the case must be reopened with opening code **400** (administrative opening on transitional benefits cases) and must be closed with closing code **401** (administrative closing on transitional benefits cases) once the emergency need is met or the FH action is complete. These administrative codes ensure no disruption of transitional benefits and the indicator “**T**” will remain in WMS.

The TCC worker must be able to verify the following from the electronic case record:

- Household composition.
- Current income.
- Work schedule.
- Child care provider information.
- The length of time the parent or guardian was in receipt of CA or CILOCA.
- The reason for the case closing (see **Attachment A** for a list of closing codes eligible for TCC).

Revised information

If the information in the electronic case folder/HRA OneViewer is not current, the TCC Unit will request verification of information that is required to make an eligibility determination.

In instances where the parent or guardian does not respond to requests for information needed to determine TCC eligibility, the TCC Unit will discontinue child care benefits and the parent or guardian will receive the Notice of Intent to Discontinue Child Care Benefits (**OCFS-LDSS-4782**). The case closing language will read:

“(You/Name) did not provide us with the information we requested to determine your continued eligibility for child care. Without this information your eligibility for transitional child care cannot be determined”.

If eligible, the TCC Unit will send the Approval of Your Transitional Child Care Benefits (**OCFS-LDSS-4785**) to all employed CA or CILOCA participants/guardians whose CA or CILOCA case is closing and the family meets the eligibility requirements for TCC. This notice will notify the household of their family fee.

If the parent/guardian requests child care at any time within 12 months after their CA case is closed, the TCC Unit must determine if the family is eligible for TCC. If eligible, unpaid child care expenses must be paid retroactively to the date that the CA case closed and continue for no more than 12 months after the CA case closing date. These cases require a new TCC application.

PROGRAM IMPLICATIONS

Paperless Office System (POS) Implications

All income must be budgeted and all appropriate case information must be entered into POS prior to the CA case closing.

Supplemental Nutrition Assistance Program Implications

All out-of-pocket, non-reimbursable child/dependent care costs must be counted as a Supplemental Nutrition Assistance Program (SNAP) child care deduction. CA cases closed as a result of earned income or child support must receive a separate SNAP eligibility determination.

Medicaid Implications

Families eligible for TCC due to an increase in income and subsequent loss of CA eligibility must be referred for a separate Medicaid determination, unless the family requests that their Medicaid case be closed at the same time as their CA case.

FAIR HEARING IMPLICATIONS

Avoidance/ Resolution

Ensure that all case actions are processed in accordance with current procedures and that electronic case files are kept up to date. Remember that applicants/participants must receive either adequate or timely and adequate notification of all actions taken on their case.

Conferences

An applicant/participant can request and receive a conference with a Fair Hearing and Conference (FH&C) AJOS I/ Supervisor I at any time. If an applicant/participant comes to the Job Center requesting a conference, the Receptionist must alert the FH&C Unit that the applicant/participant is waiting to be seen. In Model Offices, the Receptionist at Main Reception will issue an FH&C ticket to the applicant/participant to route him/her to the FH&C Unit and does not need to verbally alert the FH&C Unit staff.

The FH&C AJOS/Supervisor I will listen to and evaluate any material presented by the applicant/participant, review the case file and discuss the issue(s) with the JOS/Worker responsible for the case and/or the JOS/Worker's Supervisor. The AJOS I/Supervisor I will explain the reason for the Agency's action(s) to the applicant/participant.

If the applicant/participant has presented evidence that the outstanding Notice of Intent needs to be withdrawn for any reasons, the FH&C AJOS I/ Supervisor I will Settle in Conference (SIC). The AJOS I/Supervisor I must also enter detailed case notes in the New York City Work, Accountability and You (NYCWAY) system, and forward all verifying documentation submitted by the applicant/participant to the appropriate JOS/Worker for corrective action to be taken.

In addition, if the adverse case action still shows on the "Pending" (08) screen in WMS, the AJOS I/Supervisor I must prepare and submit a Fair Hearing/Case Update Data Entry Form (**LDSS-3722**), to change the 02 to 01 if the case has been granted Aid to Continue (ATC), or prepare and submit a CA Recoupment Data Entry Form – WMS (**LDSS-3573**) to delete a recoupment. The AJOS I/Supervisor I must complete a Conference Report (**M-186a**) form.

The Center Director's Designee is responsible for ensuring that further appeal by the applicant/participant, through a Fair Hearing request, is properly controlled, and that appropriate follow-up action is taken in all phases of the Fair Hearing process.

Evidence Packets All Evidence Packets must contain a detailed history, copies of relevant WMS screen printouts, other documentation relevant to the action taken and copies of NYCWAY “Case Notes” screens.
