EARNED INCOME TAX CREDIT (EITC) AND OTHER TAX CREDITS FOR TAX YEAR 2014

Date: February 6, 2015	Subtopic(s): Tax Credits
----------------------------------	------------------------------------

AUDIENCE

The instructions in this policy directive are for staff in all Job Centers and Non Cash Assistance (NCA) Supplemental Nutrition Assistance Program (SNAP) Centers and are informational for all other staff.

POLICY

The Federal government, New York State (NYS), and New York City (NYC) provide various tax credits that aid families and individuals with low to moderate income by reducing their tax liability. Earned Income Tax Credit (EITC) refunds must be excluded as income and resources for the purposes of Cash Assistance (CA), Home Energy Assistance Program (HEAP) and Supplemental Nutrition Assistance Program (SNAP) eligibility.

BACKGROUND

There are several Federal, NYS, and NYC tax credits available to families and individuals with low to moderate income. These tax credits are an important tool in the reduction of poverty and they provide a source of additional income for their recipients. Some of the available tax credits are refundable, in that if the credit exceeds the amount of tax owed, the balance is returned to the taxpayer in the form of a tax credit. The following tax credits are currently available to NYC residents:

- Federal EITC, NYS EITC, and NYC EITC
- Noncustodial Parent NYS EITC
- Federal Child Tax Credit and NYS Empire State Child Credit
- Federal, NYS, and NYC Child and Dependent Care Credits
- NYS and NYC Household Credits

Income Requirements.

See income limits chart on page 3

Federal, NYS, and NYC EITCs are refundable tax credits available to low income wage earners (including the self-employed). In order to be eligible for an EITC, an individual must have worked full- or part-time at some point during the previous tax year. Individuals filing for an EITC must not have investment income greater than \$3,350. Individuals will only receive an EITC refund if the EITC credit exceeds the amount of taxes owed.

The federal EITC can be claimed by filing the IRS Schedule EIC with a **Form 1040** or a **Form 1040A**, or by completing the IRS EIC Worksheet for **Form 1040EZ**. Full- and part-year residents of NYC who claim a federal EITC may also be eligible for NYS and NYC EITCs.

The NYS Claim for Earned Income Credit (**Form IT-215**) form must be completed and filed along with either the NYS Full-Year Resident Income Tax Return (**Form IT-201**) or the Nonresident and Part-Year Resident Income Tax Return (**Form IT-203**) in order to claim the NYS and NYC EITCs.

Note: Effective for tax years 2011 and after, the NYS Resident Income Tax Return (**Form IT-150**) has been discontinued. All full-year residents of NYS should use **Form IT-201**.

The NYS EITC is equal to 30% of the allowable federal EITC for tax year 2014. The NYC EITC is equal to 5% of the allowable Federal EITC for tax year 2014. For part-year NYC residents, the amount of EITC is adjusted based on the amount of income received in the NYC residency period.

Note: An individual must claim the federal earned income credit for 2014 on his/her federal tax return to qualify to claim the NYS and NYC EITC.

Increased tax benefits

Individuals who file federal and State tax returns and qualify for EITCs may receive benefits totaling more than \$8,200. For example, a single parent with three or more qualifying children living in his/her home may be eligible to receive up to \$8,293 in combined City, State, and federal EITCs (see the tax credit table on the next page).

Qualifying Child Rules. **Note:** “Qualifying children” for EITCs are children who lived with the individual claiming the credit for more than one-half of the tax year. For detailed information regarding the criteria for qualifying child rules visit <http://www.irs.gov/Individuals/Qualifying-Child-Rules>.

Increased income limits Earned income and adjusted gross income (AGI) for the 2014 tax year must each be less than the following:

Number of Qualifying Children	Single or Head of Household	Married, filing jointly
Three or more	\$ 46,997	\$ 52,427
Two	\$ 43,756	\$ 49,186
One	\$ 38,511	\$ 43,941
No children	\$ 14,590	\$ 20,020

Increased tax credits The maximum EITC amounts for the 2014 tax year are:

Number of Qualifying Children	Federal	State	City	Total
Three or more	\$ 6,143	\$ 1,843	\$ 307	\$ 8,293
Two	\$ 5,460	\$ 1,638	\$ 273	\$ 7,371
One	\$ 3,305	\$ 992	\$ 165	\$ 4,462
No children	\$ 496	\$ 149	\$ 25	\$ 670

Retroactive EITC Persons who did not claim an EITC during the previous tax years may be eligible for retroactive EITC payments for up to three years. For example, in 2015 you can file your 2014 taxes and retroactive federal, NYS, and NYC EITCs may be claimed for tax years 2013, 2012, and 2011. An income tax return must be filed for each year a retroactive Federal, NYS, or NYC EITC is requested.

Those who already filed a federal income tax return for the past year(s) but did not claim the federal EITC must file an Amended U.S. Individual Income Tax Return (**Form 1040X**) and attach it to the copy of the tax return from the year for which the credit is being claimed.

Those who did not file a federal income tax return for the tax year he/she is submitting a retroactive federal EITC claim must file his or her taxes using the appropriate forms for that tax year. Individuals can order the required forms and accompanying instructions by calling **800-829-3676** or by accessing the IRS website at www.irs.gov.

Those who filed a NYS income tax return but did not claim the NYS and NYC EITCs must file the NYS Amended Resident Income Tax Return (**Form IT-201X**) for full-year residents **or** the NYS Amended Nonresident and Part-Year Resident Income Tax Return (**Form IT-203X**) and the NYS Claim for Earned Income Credit (**Form IT-215**) for each applicable tax year. A copy of the original **Form IT-201/Form IT-203** and every attachment that was submitted with their tax returns, for the tax year(s) for which the ETICs are being claimed, must be included with **Form IT-201X/Form IT-203X**.

Those who did not file a NYS income tax return for the tax year he/she is submitting retroactive NYS and NYC EITCs claims must file his or her NYS taxes using the appropriate forms for that tax year in addition to filing the **Form IT-215**. To obtain a copy of **Form IT-215** or transcripts of prior NYS tax returns, individuals should call the NYS Department of Taxation and Finance at **(518) 457-5431**.

For further information about retroactive eligibility, the individual may call the Internal Revenue Service (IRS) at **(800) 829-1040** (for information about the Federal EITC) and/or the NYS Department of Taxation and Finance at **(518) 457-5431** (for information about the NYS EITC or the NYC EITC).

VITA sites

The Office of Financial Empowerment (OFE), a division of the Department of Consumer Affairs (DCA), provides a directory of the 2015 Volunteer Income Tax Assistance (VITA) sites and other free tax preparation sites located throughout the five boroughs.

Refer to **Attachment A** or **Attachment B**

VITA sites offer tax preparation and e-filing of tax forms at no charge for qualified individuals and families with a total income that is less than \$18,000 and \$53,000, respectively. Individuals can locate a VITA sites by calling **800-906-9887**. Refer to the Free Tax Preparation Sites (**Attachment A** – for English; and **Attachment B** – for Spanish).

Refer to **Attachment C**

DCA/OFE’s EITC palm card titled “What Would You Do With Your Refund?” (**Attachment C**) will be included in the CA and NCA SNAP application kits. The palm card provides information on what tax documents an individual should bring to a VITA site, two ways to file taxes for free and the benefits associated with using the City’s free tax filing options.

The palm card contains information in both English and Spanish. Palm cards are also available in English-Chinese, English-Haitian Creole, English-Korean, and English-Russian.

Mandated Signage The 2014 EITC poster titled “It’s Tax Time. Go Get Your Refund!” (**OCM-24**) has been replaced with the 2015 EITC poster titled “What Would You Do With Your Refund?” (**OCM-24**). **OCM-24** is installed, maintained, and removed at the end of the display period (April 15, 2015) by the Office of Communications and Marketing (OCM), in conjunction with General Support Services (GSS). The 11-by-17 inch posters will be displayed at all Job Centers and NCA SNAP Centers.

EITC for Child-only Cases CA and/or SNAP households with “child-only” cases, in which the payee is a grandparent or other relative with earned income, may be EITC eligible. The children in these cases often meet the definition of qualifying children for an EITC, making the payee eligible to receive Federal, NYS, and NYC EITCs.

Noncustodial Parent NYS EITC The NYS Noncustodial Parent (NCP) EITC addresses the needs of low-income NCPs who are at least 18 years of age. The credit supplements the earnings of qualified NCPs, which can help them become more involved in the economic and social well-being of their children. To be qualified in the tax year in which the NCP EITC is claimed, a noncustodial parent must:

- not have claimed NYS EITC using **Form IT-215**;
- be a **full-year** New York resident taxpayer;
- be at least 18 years of age;
- be a parent of a minor child (or children) that does not reside with him/her;
- have an order in effect for at least one-half of the tax year that requires child support payments payable through a NYS Child Support Collection Unit (SCU); **and**
- have paid an amount in child support equal to the amount of current child support s/he was required to pay by all court orders.

In order to receive the credit, an individual must attach the Claim for Noncustodial Parent New York State Earned Income Credit (**Form IT-209**) along with their NYS tax return (**Form IT-201**).

Note: The amount of EITC received by a noncustodial parent has no effect on the amount of EITC a custodial parent receives.

Penalty for Improper or Fraudulent EITC Claims An improper claim resulting from reckless or intentional disregard of IRS rules and regulations may lead to a two-year denial of federal, NYS, and NYC EITCs and in subsequent years, a special request form must be filed to apply for the right to claim the EITCs. Fraudulent EITC claims may lead to a 10-year denial of federal, NYS, and NYC EITCs.

Si usted ganó ingresos, podría calificar para el Crédito Tributario por Ingresos del Trabajo (EITC, por sus siglas en inglés) y el Crédito Tributario de Cuidado de Menores de la Ciudad de Nueva York (NYC CCTC), lo que podría resultar en un reembolso de hasta \$10,000.

¡Pero no puede obtener su reembolso a menos que declare sus impuestos!

La Ciudad de Nueva York le puede ayudar a someter su declaración de impuestos de forma gratuita en vez de gastar cientos de dólares por la preparación de su planilla. No gaste dinero para obtener *su* reembolso.

La Ciudad ofrece dos maneras de presentar su declaración de impuestos y de forma gratuita.

En persona

Ingreso anual de \$53,000 o menos (con hijos) o \$18,000 o menos (sin hijos).

Visite un Sitio Voluntario de Asistencia con los Impuestos (VITA, por sus siglas en inglés) en su comunidad. Los preparadores de sitios VITA son capacitados por el IRS y certificados para ayudarle a someter su planilla de impuestos y reclamar créditos importantes como el EITC y el NYC CCTC. En algunos sitios, usted puede abrir una cuenta de la ciudad SaveUSA al someter su declaración de impuestos. Y algunos sitios le permiten dejar sus documentos fiscales y recoger su planilla de impuestos ya completada más tarde. El personal capacitado en estos sitios protege sus documentos y utilizan un sitio web seguro para someterlos con su declaración de impuestos.

En línea

Ingreso anual de \$60,000 o menos.

Diríjase a la página web nyc.gov/taxprep. El servicio en línea es fácil y seguro. Utilice una computadora segura para proteger su privacidad.

Para más información, diríjase a la página web nyc.gov/taxprep o llame al 311 y pregunte por asistencia con la preparación de impuestos.

Documentos fiscales para llevar a sitio VITA:

- Comprobante de identidad, tal como una licencia de conducir u otro documento de identificación con foto
- Su tarjeta de Seguro Social, la de su cónyuge y de sus dependientes y/o una carta de verificación de SSN de la Administración de Seguro Social o cartas de ITIN para todos los nombres en la declaración de impuestos (en original o copias)
- Formulario W-2, W-2G, 1099-R (comprobantes de ingreso y salario)
- Formularios 1098, 1099 (declaración de interés y dividendos de los bancos)
- Formulario 1095-A, si compró cobertura médica del Mercado de Seguros Médicos
- Prueba de exención de cobertura médica otorgada por el Mercado, si aplica
- Copia de sus declaraciones de impuestos estatales y federales de 2013, si están disponibles
- Comprobante de algún otro ingreso, como las ganancias de una lotería
- El pago total del proveedor de cuidados de menores y el número de identificación del contribuyente o SSN del proveedor (para el NYC CCTC)
- La cuenta bancaria y los números de enrutamiento (para solicitar el depósito directo de su reembolso)

If you earned income, you could qualify for the Earned Income Tax Credit (EITC) and the NYC Child Care Tax Credit (NYC CCTC), which could result in a refund of up to \$10,000.

But you can't get your refund unless you file a tax return!

The City of New York can help you file for FREE instead of spending hundreds of dollars for tax preparation. Don't spend money to get *your* refund.

The City offers 2 ways to file your taxes safely and for free:

In Person

Annual income \$53,000 or less (with children) or \$18,000 or less (no children).

Visit a Volunteer Income Tax Assistance (VITA) site in your neighborhood. VITA site preparers are IRS-trained and certified to help you file your taxes and claim credits like the EITC and NYC CCTC. At some sites, you can open the City's SaveUSA account when you file. And some sites let you drop off your tax documents and pick up the completed return later! Trained staff at these sites protect your documents and use a secure website to share them for tax preparation.

Online

Annual income \$60,000 or less.

Go to nyc.gov/taxprep. The online service is easy and secure. Use a secure computer to protect your privacy.

For more information, go to nyc.gov/taxprep or call **311** and ask for tax preparation assistance.
