EARNED INCOME TAX CREDIT (EITC) AND OTHER TAX CREDITS FOR TAX YEAR 2015

Date: February 12, 2016	Subtopic(s): Tax Credits
-----------------------------------	------------------------------------

AUDIENCE

The instructions in this policy directive are for staff in all Job Centers and Non Cash Assistance (NCA) Supplemental Nutrition Assistance Program (SNAP) Centers and are informational for all other staff.

POLICY

The Federal government, New York State (NYS), and New York City (NYC) provide various tax credits that aid families and individuals with low to moderate income by reducing their tax liability. Earned Income Tax Credit (EITC) refunds must be excluded as income and resources for the purposes of Cash Assistance (CA), Home Energy Assistance Program (HEAP) and Supplemental Nutrition Assistance Program (SNAP) eligibility.

BACKGROUND

There are several Federal, NYS, and NYC tax credits available to families and individuals with low to moderate income. These tax credits are an important tool in the reduction of poverty and they provide a source of additional income for their recipients. Some of the available tax credits are refundable, in that if the credit exceeds the amount of tax owed, the balance is returned to the taxpayer in the form of a tax credit. The following tax credits are currently available to NYC residents:

- Federal EITC, NYS EITC, and NYC EITC
- Noncustodial Parent NYS EITC
- Federal Child Tax Credit and NYS Empire State Child Credit
- Federal, NYS, and NYC Child and Dependent Care Credits
- NYS and NYC Household Credits
- American Opportunity and Lifetime Learning Credits

This is not a complete listing of available tax credits

Income Requirements	<p>Federal, NYS, and NYC EITCs are refundable tax credits available to low income wage earners (including the self-employed). In order to be eligible for an EITC, an individual must have worked full- or part-time at some point during the previous tax year. Individuals filing for an EITC must have investment income of \$3,400 or less for the year. Individuals will only receive an EITC refund if the EITC credit exceeds the amount of taxes owed.</p> <p>The Federal EITC can be claimed by filing the IRS Schedule EIC with a Form 1040 or a Form 1040A, or by completing the IRS EIC Worksheet for Form 1040EZ. Full- and part-year residents of NYC who claim a Federal EITC may also be eligible for NYS and NYC EITCs.</p>
See income limits chart on page 3	
Only full-year residents of NYS should use Form IT-201	<p>The NYS Claim for Earned Income Credit (Form IT-215) form must be completed and filed along with either the NYS Resident Income Tax Return (Form IT-201) or the Nonresident and Part-Year Resident Income Tax Return (Form IT-203) in order to claim the NYS and NYC EITCs.</p> <p>The NYS EITC is equal to 30% of the allowable Federal EITC for tax year 2015. The NYC EITC is equal to 5% of the allowable Federal EITC for tax year 2015. For part-year NYC residents, the amount of EITC is adjusted based on the amount of income received in the NYC residency period.</p> <p>Note: An individual <u>must</u> claim the Federal earned income credit for 2015 on his/her Federal tax return to qualify to claim the NYS and NYC EITC.</p>
Increased tax benefits	<p>Individuals who file Federal and State tax returns and qualify for EITCs may receive benefits totaling more than \$8,400. For example, a single parent with three or more qualifying children living in his/her home may be eligible to receive up to \$8,427 in combined City, State, and Federal EITCs (see the tax credit table on the next page).</p>

Persons who did not claim an EITC during the previous tax years may be eligible for retroactive EITC payments for up to three years. For example, in 2016 you can file your 2015 taxes and retroactive Federal, NYS, and NYC EITCs may be claimed for tax years 2014, 2013, and 2012. An income tax return must be filed for each year a retroactive Federal, NYS, or NYC EITC is requested.

Those who already filed a Federal income tax return for the past year(s) but did not claim the Federal EITC must file an Amended U.S. Individual Income Tax Return (**Form 1040X**) and attach it to the copy of the tax return from the year for which the credit is being claimed.

Those who did not file a Federal income tax return for the tax year he/she is submitting a retroactive Federal EITC claim must file his or her taxes using the appropriate forms for that tax year. Individuals can order the required forms and accompanying instructions by calling **800-829-3676** or by accessing the IRS website at www.irs.gov.

Those who filed a NYS income tax return but did not claim the NYS and NYC EITCs must file the NYS Amended Resident Income Tax Return (**Form IT-201X**) for full-year residents **or** the NYS Amended Nonresident and Part-Year Resident Income Tax Return (**Form IT-203X**) and **Form IT-215** for each applicable tax year. A copy of the original **Form IT-201/Form IT-203** and every attachment that was submitted with the tax returns, for the tax year(s) for which the ETICs are being claimed, must be included with **Form IT-201X /Form IT-203X**.

Those who did not file a NYS income tax return for the tax year he/she is submitting retroactive NYS and NYC EITCs claims must file his or her NYS taxes using the appropriate forms for that tax year in addition to filing the **Form IT-215**. To obtain a copy of **Form IT-215** or transcripts of prior NYS tax returns, individuals should call the NYS Department of Taxation and Finance at **(518) 457-5181** or visit their website at www.tax.ny.gov.

For further information about retroactive eligibility, the individual may call the Internal Revenue Service (IRS) at **(800) 829-1040** (for information about the Federal EITC) and/or the NYS Department of Taxation and Finance at **(518) 457-5181** (for information about the NYS EITC or the NYC EITC).

VITA sites

The Office of Financial Empowerment (OFE), a division of the Department of Consumer Affairs (DCA), provides a directory of the 2016 Volunteer Income Tax Assistance (VITA) sites and other free tax preparation sites located throughout the five boroughs.

Refer to **Attachment A**
or **Attachment B**

VITA sites offer tax preparation and e-filing of tax forms at no charge for qualified individuals (without children) and families with a total income that is less than \$30,000 and \$54,000, respectively. Individuals can locate VITA sites by calling **800-906-9887** or by visiting www1.nyc.gov/assets/dca/TaxMap/CompleteList.pdf. Refer to the NYC Free Tax Prep Sites (**Attachment A** – for English; and **Attachment B** – for Spanish).

TCE program

New Information

In addition to VITA sites, the Tax Counseling for the Elderly (TCE) program offers free tax help for all taxpayers, particularly those who are sixty (60) years of age and older, specializing in questions about pensions and retirement-related issues unique to seniors. TCE volunteers are IRS-certified and are often retired individuals associated with non-profit organizations that receive grants from the IRS. TCE sites do not have income eligibility requirements and are open to all.

Refer to **Attachment C** DCA/OFE’s EITC palm card titled “NYC Free Tax Prep: Trusted, Professional Filing” (**Attachment C**) will be included in the CA and NCA SNAP application kits. The palm card provides information on what tax documents an individual should bring to a VITA site, two ways to file taxes for free and the benefits associated with using the City’s free tax filing options.

The palm card contains information in both English and Spanish. Palm cards are also available in English-Chinese, English-Haitian Creole, English-Korean, and English-Russian.

Mandated Signage The 2015 EITC poster titled “What Would You Do With Your Refund?” (**OCM-24**) has been replaced with the 2016 poster titled “NYC Free Tax Prep” (**OCM-24**). **OCM-24** is installed, maintained, and removed at the end of the display period (April 15, 2016) by the Office of Communications and Marketing (OCM), in conjunction with General Support Services (GSS). The 11-by-17 inch posters will be displayed at all Job Centers and NCA SNAP Centers.

EITC for Child-only Cases CA and/or SNAP households with “child-only” cases, in which the payee is a grandparent or other relative with earned income, may be EITC eligible. The children in these cases often meet the definition of qualifying children for an EITC, making the payee eligible to receive Federal, NYS, and NYC EITCs.

Noncustodial Parent NYS EITC The NYS Noncustodial Parent (NCP) EITC addresses the needs of low-income NCPs who are at least 18 years of age. The credit supplements the earnings of qualified NCPs, which can help them become more involved in the economic and social well-being of their children. To be qualified in the tax year in which the NCP EITC is claimed, a noncustodial parent must:

- not have claimed NYS EITC using **Form IT-215**;
- be a **full-year** New York resident taxpayer;
- be at least 18 years of age;
- be a parent of a minor child (or children) that does not reside with him/her;
- have an order in effect for at least one-half of the tax year that requires child support payments payable through a NYS Child Support Collection Unit (SCU); **and**
- have paid an amount in child support equal to the amount of current child support s/he was required to pay by all court orders.

In order to receive the credit, an individual must attach the Claim for Noncustodial Parent New York State Earned Income Credit (**Form IT-209**) along with their NYS tax return (**Form IT-201**).

Note: The amount of EITC received by a noncustodial parent has no effect on the amount of EITC a custodial parent receives.

Penalty for Improper or Fraudulent EITC Claims

An improper claim resulting from reckless or intentional disregard of IRS rules and regulations may lead to a two-year denial of Federal, NYS, and NYC EITCs and in subsequent years, a special request form must be filed to apply for the right to claim the EITCs. Fraudulent EITC claims may lead to a 10-year denial of Federal, NYS, and NYC EITCs.

Federal Child Tax Credit

The Federal Child Tax Credit, worth up to \$1,000 for each qualifying child under the age of 17, is a non-refundable credit used to reduce the amount of tax owed and may be claimed on the individual's Federal tax return. If the Federal Child Tax Credit exceeds the amount of tax actually owed, the taxpayer may claim the difference in the form of an Additional Child Tax Credit.

Additional Child Tax Credit

The Additional Child Tax Credit is a refundable credit which may be claimed by filing the IRS Child Tax Credit (**Schedule 8812**) along with a Federal income tax return. The minimum earned income amount used to calculate the Additional Child Tax Credit is \$3,000 for the 2015 tax year.

NYS Empire State Child Credit

The NYS Empire State Child Credit is a refundable tax credit that can be claimed for each child, ages 4 through 16, that qualifies for the Federal Child Tax Credit. Taxpayers who claimed the Federal Child Tax Credit for children age 4 through 16 can claim an Empire State Tax Credit equal to the greater of:

- \$100 multiplied by the number of qualifying children; or
- 33% of the taxpayer's Federal Child Tax Credit and Federal Additional Child Tax Credit for the qualifying children.

Eligible taxpayers who did not claim the Federal Child Tax Credit can claim an Empire State Child Tax Credit equal to \$100 multiplied by the number of qualifying children. Individuals must file the NYS Claim for Empire State Child Credit (**Form IT-213**) to claim this credit.

Working families can claim both the Federal Child Tax Credit and the NYS Empire State Child Credit in addition to the EITCs.

Child and Dependent Care Credits

Federal, NYS, and NYC Child and Dependent Care credits cover child care and dependent care expenses. These credits are awarded to individuals who pay for the care of a child, spouse, or adult dependent (incapable of caring for him or herself) while the taxpayer works or actively seeks employment.

Federal Child and Dependent Care Credit

The Federal Child and Dependent Care expenses credit is non-refundable. It can be worth up to \$1,050 for families with one child or dependent in care and up to \$2,100 for families with more than one child or dependent in care. Expenses covered under the Federal credit must be for:

- a dependent qualifying child(ren) who was under the age of 13 when the care was provided, and lived with the filer for more than half of the year;
- a spouse or dependent who is physically or mentally incapable of self-care and who has the same residence as the filer for more than half of the year; or
- a child for whom the filer could not claim as a dependent because of the rules for a *Child of Divorced or Separated Parents or Parents Living Apart* ([Publication 503 – Main Content](#)).

Revised Information

Note: The paid care provider can not be the filer's spouse or child (under the age of 19), parent of the qualifying individual, or a person the filer can claim as a dependent on his/her Federal or NYS income tax return.

The Federal credit may be claimed by filing the IRS Child and Dependent Care Expenses (**Form 2441**) and attaching it to the IRS tax return filed (either **Form 1040**, **Form 1040A**, or **Form 1040NR**).

NYS Child and Dependent Care Credit

The NYS Child and Dependent Care Credit is a refundable tax credit worth up to \$1,155 for families with one child or dependent in care and up to \$2,310 for families with more than one child or dependent in care. Expenses covered by this credit must be for children who were under age 13 and lived with the filer for more than six months, or for disabled dependants during the tax year for which it is being claimed.

NYC Child Care Tax Credit (CCTC)

The NYC Child Care Tax Credit (CCTC) is a refundable tax credit worth up to \$866 for families with one child in care and up to \$1,733 for families with more than one child in care. This credit is available to filers who:

- were full-year or part-year residents of NYC during 2015;
- paid child care expenses for at least one child who was under age four on December 31, 2015;
- had Federal adjusted gross income of \$30,000 or less in 2015; **and**
- qualified to claim the NYS Child and Dependent Care Credit.

Individuals who do not qualify for the Federal Child and Dependent Care credit are not eligible for the NYS and the NYC credits. These credits help to offset the cost of higher education by reducing the amount of income tax owed. American Opportunity and Lifetime Learning tax credits may either be claimed by the student or on behalf of the student by the person paying the tuition.

Note: The individual can claim both tax credits on the same return, but can only claim one credit per student.

NYS nonresidents and part-year residents may be eligible to claim the New York college tuition itemized deduction, but do not qualify for the college tuition credit.

The college tuition credit is limited to \$400 per eligible student and is a refundable credit. Alternatively, the college tuition itemized deduction of up to \$10,000 may be claimed for each eligible student if the taxpayer itemized their deductions on their Federal return.

NYS Tax Refund Debit Card discontinued

Updated information

In previous years, the NYS Department of Taxation and Finance (DTF) offered filers the choice to receive their personal income tax refund via the NYS Tax Refund Debit Card. NYS DTF discontinued this option because of a lack of participation by individuals who received a refund. Refunds are still available in the form of either a direct deposit or paper check.

Muchos neoyorquinos califican para declarar sus impuestos gratis. ¿Usted califica?

Si usted gana \$62,000 o menos, puede calificar para la PREPARACIÓN DE IMPUESTOS GRATIS, ya sea con nuestro sistema de presentación electrónica o en persona con un preparador certificado.

Hay dos maneras de declarar sus impuestos de manera segura y gratuita.

En persona en su sitio local de preparación de impuestos gratis

En la mayoría de los sitios, debe tener un ingreso de \$54,000 o menos si tiene hijos o de \$30,000 o menos si no tiene hijos.

- Hay más de 200 sitios de preparación de impuestos gratis en la ciudad de Nueva York. Busque uno de su conveniencia en la página web nyc.gov/taxprep o llame al 311.
- Preparadores certificados por el IRS le ayudarán a reclamar créditos fiscales importantes como el Crédito por Ingreso del Trabajo (EITC, por sus siglas en inglés) y el Crédito de Cuidado de Menores de la Ciudad de Nueva York (NYC CCTC, por sus siglas en inglés) para que así pueda obtener el máximo reembolso que se merece.
- Algunos sitios le permiten dejar sus documentos fiscales y recoger su declaración de impuestos ya completada más tarde.

Con nuestro sistema de presentación electrónica en la página web nyc.gov/taxprep

Ingreso anual de \$62,000 o menos.

- El servicio de presentación electrónica es rápido, fácil y seguro.
- Instrucciones detalladas le ayudarán a reclamar créditos fiscales como el EITC y el NYC CCTC para que obtenga el reembolso que se merece.
- Tenemos expertos disponibles por teléfono para ayudarle con cualquier pregunta.

Para más información, visite la página web nyc.gov/taxprep o llame al 311 y pregunte por asistencia con la preparación de impuestos.
