State Notice

The State mailed a Mass Notice of Intent to Change SNAP/ NYC October 2019 (see **Attachment A**) to all SNAP households informing them of the changes in the maximum SNAP allotments and other changes that affect their SNAP benefit calculations. Depending on a household's circumstances, the amount of their SNAP benefit may increase or remain the same.

System changes

The Welfare Management System (WMS) has been programmed to reflect the SNAP changes. Most cases were re-budgeted centrally through a mass re-budget on the weekend of September 14-15, 2019. Cases that were centrally re-budgeted have a 10/A/19 budget effective date and can be identified by the unique authorization number **44446010**. As part of the mass rebudgeting process, all stored budgets that are affected by these changes were also re-budgeted effective 10/A/19.

A list of the cases that were not included in the mass rebudgeting will be forwarded to the Regional Managers. Regional Managers will forward the list to the appropriate locations for rebudgeting.

REQUIRED ACTION

Participants

Resolving list of cases that were not mass rebudgeted

When the list of cases that require manual rebudgeting to reflect the October 2019 changes is received at the Job Center/NCA SNAP Center, the Job Center/SNAP Center Director/designee must ensure that:

- any outstanding actions that prevent the calculation and/or processing of a new budget are resolved immediately, and
- supplemental benefits, if necessary, are issued retroactive to 10/A/19.

Applicants

When calculating a budget after September 14, 2019, the Worker must:

- calculate a scratchpad budget in WMS to determine the SNAP benefit amount for September 2019 or any prior months,
- place a copy of the scratchpad budget in the case record, and
- calculate and save the regular budget for 10/A/19 to issue future benefits.

Preparing manual budgets

Workers are reminded to use the revised **W-122A**, **W-122AA**, **W-122D**, and **W-122DD** when preparing manual SNAP budgets and bottom-line budgets.

Note: The household must contain at least one SSI/Aged/Disabled household member to use Forms **W-122AA** and **W-122DD**.

To manually determine a household’s monthly SNAP allotment:

- calculate the household’s net monthly income using Form **W-122A**, **W-122AA**, **W-122D**, or **W-122DD** as appropriate.
- find the monthly SNAP allotment by referencing the appropriate **W-129F** or **W-129FF** table to locate the appropriate income in the “Monthly Net Income” column and reading across to the appropriate household size.

PROGRAM IMPLICATIONS

Paperless Office System (POS) Implications	POS has been updated to reflect the October 2019 SNAP changes.
Cash Assistance Implications	There are no Cash Assistance (CA) implications associated with the October 2019 SNAP changes.

LIMITED ENGLISH PROFICIENT AND DEAF/HARD-OF-HEARING IMPLICATIONS

For Limited English Proficient (LEP) and Deaf/Hard-of-Hearing applicants/participants, make sure to obtain appropriate interpreter services in accordance with PD #18-10-OPE and PD #17-19-OPE.

FAIR HEARING IMPLICATIONS

Avoidance/Resolution	Ensure that all case actions are processed in accordance with current procedures and that electronic case files are kept up-to-date. Remember that participants must receive either adequate or timely and adequate notification of all actions taken on their case.
Conferences at Job Centers	A participant can request and receive a conference with a Fair Hearing and Conference (FH&C) AJOS/Supervisor I at any time. If a participant comes to the Job Center requesting a conference, the Receptionist must alert the FH&C Unit that the participant is waiting to be seen. In Model Centers, the Receptionist at Main Reception will issue an FH&C ticket to the participant to route him/her to the FH&C Unit and does not need to verbally alert the FH&C Unit staff.

The FH&C AJOS/Supervisor I will listen to and evaluate any material presented by the participant, review the case file, and explain the reason for the Agency’s action(s) to the participant.

After reviewing the issue with the JOS/Worker responsible for the case and/or the JOS/Worker’s Supervisor, the FH&C AJOS/Supervisor I will attempt to resolve the issue through an explanation of the October 2019 SNAP changes.

The FH&C AJOS/Supervisor I is responsible for ensuring that further appeal by the participant through a Fair Hearing request is properly controlled and that appropriate follow-up action is taken in all phases of the Fair Hearing process.

Conferences at SNAP Centers

If a participant comes to the SNAP Center requesting a conference, the Receptionist must alert the SNAP Center Director’s Designee that the participant is to be seen. If the participant contacts the Worker directly, advise the participant to call the Designee. The Designee will listen to and evaluate the participant’s complaint.

After reviewing the issue with the Worker/Supervisor, the SNAP Center Director’s Designee will attempt to resolve the issue through an explanation of the October 2019 SNAP changes. The Designee is responsible for ensuring that further appeal by the participant through a Fair Hearing request is properly controlled and that appropriate action is taken in all phases of the Fair Hearing process.

MASS NOTICE OF INTENT TO CHANGE SNAP
NYC - OCTOBER 2019

Case Number:
Loc. Off./Unit Worker:

General Telephone No. for
Questions or Help:

Dear SNAP Recipient:

The "Thrifty Food Plan" (TFP) is the maximum amount of SNAP benefits, per household size. Beginning October 1, 2019, the maximum amounts of SNAP benefits per household size will increase. The new TFP amounts will be:

Household Size	1	2	3	4	5	6	7	8
Maximum Allotment	\$194	\$355	\$509	\$646	\$768	\$921	\$1,018	\$1,164

Each additional household member add \$146.00

The minimum SNAP benefit amount that a one or two-person household can receive will increase to \$16.00 per month.

Beginning October 1, 2019, some standards and deductions used to figure the amount of SNAP benefits a household gets will change. This is the result of federally-required changes. The SNAP Maximum Excess Shelter Deduction will increase by \$17, from \$552 to \$569.

The standard deduction amounts that will be used in the SNAP budgeting as of October 1, 2019 are:

Household Size	1	2	3	4	5	6+
Standard Deduction	\$167	\$167	\$167	\$178	\$209	\$240

The Standard Utility Allowance (SUA) amounts, as of October 1, 2019 remain the same at:

New York City	Old SUA Values	New SUA Values
Heating / Air Conditioning SUA Values	\$800	\$800
Basic Utility SUA Values	\$316	\$316
Phone SUA	\$30	\$30

(Note: The SUA values other than the Phone SUA include amounts for water, sewage, and trash collection)

These changes may affect the amount of SNAP benefits you get. Depending on your individual circumstance the amount of your monthly SNAP benefit may not change, or it may decrease or increase as a result of these changes.

The Regulations which allows us to do this are **18 NYCRR 358-3.3(e)(1)(i), 387.10, 387.12 and 387.15.**

Reporting Rules

Most SNAP households with income only have to report changes every six months. Every six months, you either will be asked to recertify, or will be mailed a form for you to use to report changes. **The one exception to this rule is if your household's gross monthly income becomes more than 130% of the federal poverty level.** Your gross income includes all income any member of your household received during the calendar month before taxes and other deductions are taken out, not the amount you receive when you receive your check.

CONTINUED ON THE REVERSE

XL0025 (08/19)

See Chart Below. The dollar amount shown under your household size shows the new 130% of poverty income limit for your household, as of October 1, 2019. If your household's gross monthly income becomes greater than this amount, you must report the new gross monthly income amount to your social services office by phone, in writing, or in person within 10 days after the end of the month.

Report Household Gross Income Over the Income Limits Below based on Your Household Size										
HOUSEHOLD SIZE	1	2	3	4	5	6	7	8	9	10
Report if Gross Household Income Goes Over:	\$1,354	\$1,832	\$2,311	\$2,790	\$3,269	\$3,748	\$4,227	\$4,705	\$5,184	\$5,663

Some households must report changes in their household circumstances within 10 days of the month following the month in which the change occurred. You must follow this reporting rule if your household has no income at all, if your household has no income from employment and all adults are either over age 60 or disabled, or if you receive SSI/SSD and you live in a state certified group home. Also, if your household contains a seasonal migrant farmworker, or if your household is certified for fewer than four months, or if your household is homeless ("undomiciled", without any shelter).

The reduction to your SNAP benefits is a federally-mandated mass change to SNAP benefits amounts. Pursuant to federal regulations at 7 CFR 271.7(f), there is no right to a fair hearing to dispute this reduction. If you think some other mistake, such as an improper computation, was made in figuring your SNAP benefits, you may ask for a Fair Hearing within 90 days of when your October 2019 SNAP benefits become available. You can ask for a fair hearing by writing to: Office of Administrative Hearings, New York State Office of Temporary and Disability Assistance, P.O. Box 1930, Albany, New York 12201; Faxing (518) 473-6735; on-line by requesting a form at: <http://www.otda.ny.gov/oah/forms.asp>; or by calling toll-free: 1-800-342-3334.

LEGAL ASSISTANCE: If you think you need a lawyer to help you with this problem, you may be able to get a lawyer at no cost to you by contacting your local Legal Aid Society or other legal advocate group. For the names of other lawyers, check your Yellow Pages under "Lawyers".

(Households of One to Ten Persons)

How to Determine Monthly Supplemental Nutrition Assistance Program (SNAP) Allotment

To manually determine a household's monthly SNAP allotment:

Calculate the household's net monthly income using the Monthly Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (NCA) (**W-122A**), Monthly Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (NCA – SSI/Aged/ Disabled) (**W-122AA**), Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (CA) (**W-122D**), or the Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (CA – SSI/Aged/Disabled) (**W-122DD**), as appropriate.

Next, find the SNAP allotment by reading the **W-129F** (for households of **one** to **ten** persons) or the **W-129FF** (for households of **eleven** to **twenty** persons) down for the appropriate income and across for the appropriate household size.

Households of **one** and **two** persons who are eligible for SNAP will be eligible for benefits of at least \$16.

To calculate the SNAP allotment manually for household sizes of **21** persons and larger:

- Add \$146 for each additional household member over **20** persons to the maximum allotment for a household of **20** persons to get the maximum allotment for the household size;
- Multiply the household's net monthly income by 30 percent and round the amount up to the next whole dollar if it ends in cents;
- Subtract the amount (30 percent of the net monthly income) from the maximum allotment for the household size.

Reduction Amt: 30%

(Households of Eleven to Twenty Persons)

How to Determine Monthly Supplemental Nutrition Assistance Program (SNAP) Allotment

To manually determine a household's monthly SNAP allotment:

Calculate the household's net monthly income using the Monthly Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (NCA) (**W-122A**), Monthly Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (NCA – SSI/Aged/ Disabled) (**W-122AA**), Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (CA) (**W-122D**), or the Supplemental Nutrition Assistance Program (SNAP) Budget Worksheet (CA – SSI/Aged/Disabled) (**W-122DD**), as appropriate.

Next, find the SNAP allotment by reading the **W-129F** (for households of **one** to **ten** persons) or the **W-129FF** (for households of **eleven** to **twenty** persons) down for the appropriate income and across for the appropriate household size.

Households of **one** and **two** persons who are eligible for SNAP will be eligible for benefits of at least \$16.

To calculate the SNAP allotment manually for household sizes of **21** persons and larger:

- Add \$146 for each additional household member over **20** persons to the maximum allotment for a household of **20** persons to get the maximum allotment for the household size;
- Multiply the household's net monthly income by 30 percent and round the amount up to the next whole dollar if it ends in cents;
- Subtract the amount (30 percent of the net monthly income) from the maximum allotment for the household size.

Supplemental Nutrition Assistance Program Income Guidelines

Supplemental Nutrition Assistance Program (SNAP) benefits help you pay for food. You can use them at grocery stores, supermarkets, and farmer’s markets.

Anyone can apply for SNAP benefits. You may be eligible even if you have a job, receive SSI or disability benefits, own a home, or own a car.

If you are eligible, you will receive SNAP benefits within 30 days. Certain households with little income or savings, or with high housing costs, can receive SNAP benefits within five days.

Family Size		1	2	3	4	5	6	7	8	Each Additional Member
Maximum Gross Monthly Income	Households without earned income	\$1,354	\$1,832	\$2,311	\$2,790	\$3,269	\$3,748	\$4,227	\$4,705	+ \$479
	Households with earned income	\$1,562	\$2,114	\$2,667	\$3,219	\$3,772	\$4,324	\$4,877	\$5,429	+ \$553

The Maximum Gross Monthly Income limits that are shown in the table above are effective October 1, 2019.

Different income limits are used for SNAP households that:

- Have a person with a disability or 60 years of age or older; or
- Pay dependent care expenses

If everyone in your household receives SSI, TANF, or SNA, you do not need to meet any income limit.

To file a SNAP application, you may:

- go online to www.nyc.gov/accesshra;
- mail it to **Division of SNAP Services, Mail Application & Referral Unit (MARU), P.O. Box 29197, Brooklyn, NY 11201**;
- fax it to **917-639-1111**;
- go to a participating community based organization [call **311** to find a location or visit www.foodhelp.nyc]; or
- go to any SNAP Center during the listed hours of operation [see the back of this form]

Your SNAP application is considered filed if it has at least your name, address (if you have one), and a signature.

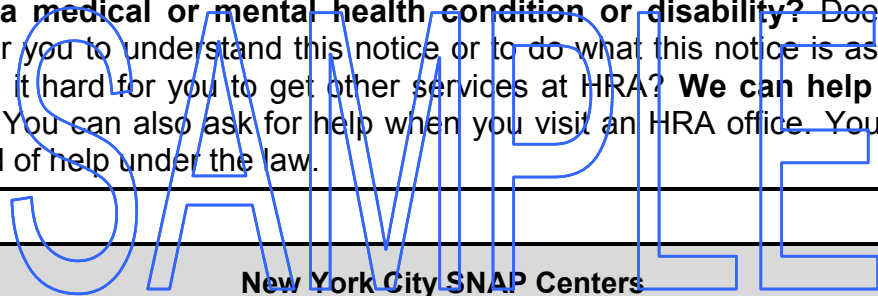

A filed application is not enough!

You will still have to be interviewed to see if you can get SNAP. After filing an application, you can call **718-762-7669** anytime between 8:30 AM and 5:00 PM, Monday to Friday, for an “on-demand” interview.

You will be asked to give us documents to verify the information on your application. Please review the SNAP Documentation Guide (**W-129G**) that you got with this form. It lists some of the common documents that you can use to verify certain eligibility factors. These documents are needed to make a decision on your SNAP application. Here are some tips:

- If you want to save time, send images of your documents using the ACCESS HRA mobile app, available for free in the app stores for Apple and Android devices.
- If you mail your application, send copies of the documents. **Do not send original documents!**
- If you submit your application in person, bring all of the documents with you when you apply.

Do you have a medical or mental health condition or disability? Does this condition make it hard for you to understand this notice or to do what this notice is asking? Does this condition make it hard for you to get other services at HRA? **We can help you.** Call us at **212-331-4640**. You can also ask for help when you visit an HRA office. You have a right to ask for this kind of help under the law.
