This is confirmation of information given to LDSS's at the July 21, 2005 bi-weekly teleconference regarding MOBIUS Reports.

The Cost Avoidance Reports (TMMP0029), the STARS Reports (TRMP0044) and the Zero Fill insurance/Medicare Reports ( TRMP0031) report currently on MOBIUS contain incorrect data.

CSC has initiated a programming fix to create correct reports.

Please do not use the reports currently on MOBIUS.

You will be notified when the reports with correct data are available.
