### **I. Purpose**

The purpose of this Local Commissioners Memorandum (LCM) is to issue the 2005 Domestic Violence State Aid Rates (DVSARs) for licensed Domestic Violence (DV) residential programs in the Rest-of-State counties outside New York City. These DVSARs

are for the period January 1, 2005, to December 31, 2005. A separate memorandum is issued for licensed DV residential programs in New York City.

## II. Background

Annually, the Office of Children and Family Services (OCFS) issues DVSARs to local social services districts advising them of the methodology approved by the Division of the Budget for the purchase of services from licensed residential DV agencies. Rates contained in these documents must be used by local social services districts in the contracts they negotiate with voluntary agency providers of DV services. Issuance of these rates is governed by Social Services Law §131-u and the applicable regulation at 18 NYCRR Part 408.

## III. Program Implications

The DVSARs that are promulgated in this LCM have been calculated using the approved 2005 DV rate methodology for residential programs in the Rest-of-State counties outside New York City. Local social services districts are required to pay these rates to licensed DV residential agencies providing residential care to eligible victims of Domestic Violence for the period January 1, 2005, to December 31, 2005.

The approved rate methodology for licensed residential DV programs includes the following features:

- ~~/s/~~ The Domestic Violence Flat Per Diem Rates were revised to include an overall cost-of-living adjustment (COLA) of approximately 2.8 percent. The DVSARS for each program were revised accordingly.
- ~~/s/~~ DV per diem rates established by local social services districts prior to the implementation of the current DV rate methodology continue to be grandfathered-in where those rates are higher than the applicable DV Flat Per Diem Rate. Affected programs will continue to receive the higher of either the grandfathered-in rate or the DV Flat Per Diem Rate as the basis for determining the current DVSARs for those programs.
- ~~/s/~~ Programs that reported surpluses from government income in the base year will have DVSARs that reflect a rate reduction equal to the amount of the surplus. Based on the approved DV rate methodology, surpluses are defined as total government revenue in excess of total allowable spending, as reported by the agency for each DV residential program.
- ~~/s/~~ The Food Add-On component of the DVSARs continues to be a negotiated item between the DV residential agency and the local social services district where the program is located. The Food Add-On is included in DVSARs when local social services districts formally request it in writing to OCFS. Thereafter, the Food Add-On is included as part of the DVSAR for the specified program until OCFS is otherwise notified.

~~Request~~ Requests to exceed the DV Flat Per Diem Rates are not allowed, barring the exception mentioned above for grandfathered-in rates that continue to be higher than the DV Flat Per Diem Rates. OCFS will consider other revisions to the DVSAR for the following reasons:

- ~~Request~~ when the Food Add-On needs to be either added or deleted from the DVSAR;
- ~~Request~~ when a program's base-year surplus was incorrectly calculated or applied to the DVSAR; or
- ~~Request~~ when the DVSAR reflects an incorrect DV Flat Rate Per Diem.

**Agencies have thirty (30) days from the issuance of a DVSAR to appeal the published rate. All appeals must be in writing and sent to: Mr. Daniel Zeidman, Chief Rate Analyst, Rate Setting Unit, Office of Children and Family Services, 52 Washington Street, South Building, Room 314, Rensselaer, NY 12144.**
