Section 2

I. Purpose

The purpose of this release is to clarify action that a local district can take on a Food Stamp case upon receipt of a computer match.

II. Background

04 INF-20 clarified actions that a local district can take on a Temporary Assistance case upon receipt of a computer match. This INF clarifies actions for a Food Stamp (FS) case.

III. Program Implications

In order for a local district to be able to take FS action on a computer match without any further verification, the information must be "verified upon receipt". Verified upon receipt means that the information:

- Is not questionable
- Is timely
- Is coming from a primary source.

The following computer matches are determined by OTDA to be verified upon receipt for FS purposes and require **no** further verification at the local district level before they take FS action:

| Match | Data Provided From | Information Provided |
|---------|-----------------------------------|--|
| | | To Local District |
| SDX | State Data Exchange | Applicants/Recipients in receipt of SSI |
| BENDEX | Social Security Beneficiary Data | Applicants/Recipients in receipt of RSDI |
| | Exchange | |
| PARIS | Public Assistance Reporting | Recipients in receipt of benefits in another |
| | Information System | state/duplicate assistance |
| Fleeing | NYS Division of Criminal Justice | Recipients who are felons fleeing from |
| Felon | Services | prosecution within NYS; also includes violators |
| | | of probation and parole |
| | Massachusetts State Police | Same as above, except fleeing from prosecution |
| | | within Massachusetts; also includes violators of |
| | | probation and parole |
| NCIC | National Crime Information | Recipients who are felons fleeing from |
| | Center/ FBI Fleeing Felon | prosecution nationwide; also includes violators |
| | | of probation and parole |
| Prison | NYS Department of Correctional | Recipients who are incarcerated in state, county |
| | Services and Division of Criminal | or city jails |
| | Justice Services | |
| UIB | NYS Department of Labor | Recipients who are receiving Unemployment |
| | | Insurance Benefits |

If an applicant or recipient requests a fair hearing based on the receipt of an adverse action notice from any of the above verified-upon-receipt matches, the local district is only required to produce this INF for a FS action (or 04 INF-20 for a TA action) and the printout of the match itself. The burden of proof is on the recipient to produce appropriate documentation to refute the match information, since the match is verified upon receipt.

Also, to clarify 97 ADM-23, Section M(2)(d), for fleeing felon matches, local districts are encouraged, but not required, to notify the appropriate law enforcement official of the match in order to allow law enforcement the opportunity to apprehend the individual before the individual is sent a notice by the local district. 48 hours after notifying a law enforcement official, the local district may go ahead and send the adverse action notice, since time has been given for the apprehension. It is not mandatory that the local district obtain a follow-up report from the law enforcement official before taking adverse action.

The matches **listed below** require further verification by the local districts before any FS action may be taken. These matches are **not** verified upon receipt. They are:

| Match | Unverified Data Provided From | Information Provided |
|-------|--------------------------------------|---|
| | | To Local District |
| WRS | Wage Reporting System from | Applicants/Recipients in receipt of past wages; |
| | NYS Tax and Finance | local districts must still verify employment |
| SDNH | State Directory of New Hires from | Applicants/Recipients who have completed a |
| | NYS Tax and Finance | W-4 "Employee's Withholding Allowance |
| | | Certificate"; local districts must still verify |
| | | employment |
