## **I. Purpose**

The purpose of this Administrative Directive (ADM) is to issue the Committee on Special Education (CSE) maintenance rates for out-of-state residential schools approved by the State Education Department (SED). These CSE maintenance rates are effective for the period July 1, 2006, to June 30, 2007.

## **II. Background**

Annually, the Office of Children and Family Services (OCFS) advises local social services districts of the approved out-of-state CSE maintenance rates for residential schools approved by SED. These rates are based on rate information approved by other states, recommended by SED, and reviewed and approved by OCFS. Rates specified in the attached rate chart must be used by local social services districts to make CSE maintenance payments for children approved by SED for residential placements in out-of-state private residential schools. Issuance of and payment responsibilities for these rates are authorized in Section 4405 of Education Law as well as in Section 153 of the Social Services Law.

## **III. Program Implications**

The CSE maintenance rates published in the attached chart are 12-month rates except where noted. The social services district where the child is a legal resident is responsible for the 10-month CSE maintenance payment for services provided from September through June. The social services district is not responsible for either maintenance or tuition payments for CSE summer school placements.

As it relates to the 10-month CSE maintenance payment, changes in Education and Social Services Law brought about by passage of Chapter 62 of the Laws of 2003 provide that the child's school district of residence must reimburse the social services district for 20 percent of the maintenance costs for such children (see 04-OCFS-LCM-13 for more details regarding those procedures). Pursuant to those amendments, the local school district placing the child will be responsible for the 10-month CSE tuition payment, as well as the 20 percent portion of the 10-month CSE maintenance payment.

The CSE maintenance rates in the attached chart are the rates that must be paid for eligible children. Pursuant to Section 4405 of Education Law, these rates are not negotiable. For a local district CSE maintenance payment to be reimbursable, a CSE maintenance rate must be published by OCFS.

## **IV. Systems Implications**

All existing procedures for processing CSE maintenance payments and reimbursing claims will continue to be applicable.

**V. Effective Date**

This directive is effective as of the date of its issuance.
