Attachment Available Online:	Yes

I. Purpose

The purpose of this Local Commissioners Memorandum (LCM) is to notify local social services districts of their allocation for Non-Residential Domestic Violence (DV) Services being administered through the Office of Children and Family Services (OCFS). The enacted budget for State Fiscal Year (SFY) 2008-09 includes a separate Temporary Assistance for Needy Families (TANF) appropriation of \$3 million for the provision of Non-Residential Domestic Violence Services. The allocation for each county is listed in Attachment A of this document.

II. Background

TANF funding for Non-Residential Domestic Violence Services has been administered by OCFS and OTDA in prior years and was made available through the Flexible Fund for Family Services (FFFS) in SFY 2006-07.

III. Allocation Methodology

The funding is allocated to local social services districts based on program needs and expenditure history. A base allocation of \$25,000 is provided to each district. Additional funds are allocated based on domestic violence expenditures and claiming history. Please see Attachment A for a complete list of county allocations.

IV. Program Implications and Federal TANF Funding Guidelines

These TANF funds must be used for enhanced or expanded core and/or optional Non-Residential Domestic Violence Services provided by approved Non-Residential Domestic Violence Programs only for persons with incomes up to 200% of the poverty level. For a complete list of approved Non-Residential Domestic Violence Programs, refer to the OCFS website at www.ocfs.state.ny.us.

Local Districts must complete Attachment B, TANF 2008-09 Non-Residential Domestic Violence Services Plan and Allocation Attestation, indicating if the district intends to access these TANF allocations. If the local district intends to use the funds, a plan needs to be submitted for each approved Non-Residential Domestic Violence Service Provider that will receive money from this allocation. The plans should provide a description of the programs and services being provided with the TANF monies for TANF eligible victims of domestic violence and their children.

Note: Funds cannot be used for medical services, Domestic Violence hotline services, DV outreach/educational services, and capital expenditures.

Please mail the signed and dated Attachment B and plans by **July 7, 2008** to:

NYS Office of Children & Family Services
Office of Protective and Community Services

As in previous years, these funds must be expended and claimed in accordance with the Federal TANF Funding Guidelines and Claiming Instructions in Attachment C. These instructions are also detailed in Transmittal 01-OCFS-LCM-05.

V. Claiming Periods

The funds being announced in this LCM for SFY 2008-09 (DV Round 7) must be spent by June 30, 2009 and claimed by August 15, 2009. These funds are to be used to reimburse expenditures beginning October 1, 2007 and ending June 30, 2009, with claims due by August 15, 2009.

Additionally, local districts with unexpended balances of Non-Residential Domestic Violence Services re-appropriated funding from Rounds DV 5A (SFY 2005-06 funding) and/or DV 6 (SFY 2007-08 funding) will have extended expenditure periods for both rounds. The period is extended from June 30, 2008 to June 30, 2009, with claims due by August 15, 2009.

Allowable Costs

- Allowable services must meet the federal definition of non-assistance.
- The funds may not be used for assistance. Assistance for federal purposes consists of any payment or benefit designed to meet ongoing basic needs -- food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses. Assistance also includes supportive services such as transportation or child care provided to unemployed recipients. Assistance paid to a Family Assistance or Non-Cash Safety Net Assistance/Federal Participation recipient is counted toward the 60-month TANF time limit. Assistance counts toward the support offset.

- Funds may be utilized to provide transportation services only when those services are incidental to the services being provided to TANF-funded public assistance (PA). With regards to transportation services, transportation is permissible for employment or other allowable activities, as long as the program of transportation does not constitute assistance or, if it does constitute assistance, it can only be provided to people receiving PA.
- Funds cannot be used for medical services, Domestic Violence (DV) hotline services, DV outreach/educational services, and capital expenditures.

Cost Allocation

- Costs must be allocated to benefiting programs when more than one program is involved in a particular activity whether done by local district staff or contractor staff. Cost allocation rules are contained in the Fiscal Reference Manuals and in Federal Circular OMB A-87 for LSSDs; OMB Circular A-122 for non-profit organizations, other than hospitals and institutions of higher education or those specifically excluded, are governed by OMB Circular A-122 and OMB Circular A-21 for Education Institutions and for-profit organizations by 48 CFR 31.

Administrative Costs 15% Rule

- The maximum amount the state can spend on administration is 15 percent against the TANF Block Grant after transfer to other block grants. This limitation applies to the non-residential domestic violence allocation for SFY 2008-09.
- The federal definition of administration is different from the state definition. When TANF costs are claimed to the federal government, they must be claimed according to the federal definition. The final federal regulations exclude direct costs, including salaries and benefits costs for staff providing program services and the direct administrative costs associated with providing these services (e.g., supplies, equipment, travel, postage, utilities, rental costs, and maintenance), of providing program services. For example, the cost of providing diversion benefits and services, providing program information to clients, screening and assessment, development of employability plans, work activities, post-employment services, work supports, and case management services, including those involving child welfare case management, except for performing the eligibility determinations, are all excluded from the definition, and should be claimed as program expenditures. Also excluded are costs for contracts devoted entirely to program activities.

- The revised definition specifically includes contract costs (except those excluded totally or in part as program activities), all indirect and overhead costs, and activities related to eligibility determinations within the definition of administrative costs. Examples of administrative costs included in the regulations are:
 - Salaries and benefits of staff performing administrative and coordination functions;
 - Preparation of program plans, budgets, and schedules;
 - Monitoring programs and projects;
 - Fraud and abuse units;
 - Procurement activities;
 - Public relations;
 - Services related to accounting, litigation, audits, management of property, payroll, and personnel;
 - Costs for the goods and services required for administration of the program (supplies, equipment, travel postage, utilities, office rent, and maintenance), provided that such costs are not excluded as program services;
 - Travel costs incurred for official business and not excluded as program costs;
 - Management information systems not related to tracking and monitoring (such as state payroll staff); and
 - Preparing reports and other documents.
 - Overhead and A-87 costs must be budgeted for any program for which local district staff is budgeted.

Claiming Instructions

The local districts should report their Non-Residential Domestic Violence Services expenditures as F17 functional costs. These costs will be claimed for reimbursement on the D-17, "Distribution of Allocated Costs to Other Reimbursement Programs" (LDSS-3274) in a column labeled "Non-Res DV." These costs will be claimed via TRACS as a project labeled "Non-Res DV-7."

Costs are claimed at the 100% Federal Share for clients in receipt of TANF or who are eligible for TANF with incomes up to 200 % of the poverty level. Reimbursement is available up to the limit of the allocation. Costs over the allocation will become regular domestic violence services expenditures, which are subject to 50% state reimbursement net of any available Title XX funds.

Because of federal reporting requirements, the local district must report both program and administrative costs for claiming purposes. TRACS permits the reporting of both types of expenditures on the same form.

Under federal TANF regulations, there is a 15% limitation for costs that may be claimed for administrative activities. Under the same regulations, certain activities that are normally considered administrative are now classified as program costs under these federal rules, and therefore, are not subject to the 15% cap. The guidelines on what costs are administrative and which are non-administrative are noted above.
