The purpose of this release is to introduce the revised "Job Readiness Evaluation" form (DSS-4159). The form is designed for use by assessors who can identify each individual's barriers and employment-related skills, screening out those individuals who would not be able to conduct a successful job search.

The revisions to the (10/89) version, which are included in the (1/91) version, are listed below:

Under Section 3, third line, the words "him or her" were changed to "the individual".

Under Section 8, second line, the words "him or her" were changed to "the individual".

Under Section 8, fourth line, the term "CEP" was changed to "JOBS".

Under Section 9, second sentence, first line, the term "HR" was added in the title of the form.

Under Section 9, added a check-off box for the second sentence to help the assessor know if a DSS-4158 form had been given to the applicant/recipient.

The form has been changed from an 8 1/2" x 11" single sheet to an 8 1/2" x 11" carbonless 3-ply snap-out.

Attached is a sample copy of the revised DSS-4159. In order to ensure that usage of the revised form begins within a reasonable amount of time, you may continue to use the existing (10/89) supply until your stock is depleted, or until April 15, 1991, whichever occurs first.

Requests for additional copies of these forms are to be submitted on Form WMS-47 (Rev. 9/89): "WMS Order Form", and should be sent to :
