The purpose of this release is to inform local districts that the use of form DSS-1951: "NPA FS Employment Registration" is no longer required. The discontinuance of this form is part of the Department's mandate reduction/work simplification effort.

The USDA-FNS has approved this discontinuance upon condition that NPA-FS applicants/recipients between the ages of 16 and 60 continue to be:

- (1) given a determination of employability and, unless exempt, agree to work register;
- (2) coded WE-Work Exempt or WR-Work Registered, as appropriate, on WMS;
- (3) advised of their rights and responsibilities if determined employable; and
- (4) subject to sanction for refusal to agree to work registration.

The DSS-1951 will not be available from the Department effective with this Informational Letter.
