TO: **Local District Commissioners**

SUBJECT: Pediatric Patient Review Instrument for Use in the Care at Home Medicaid Model Waivers Authorized under Social Services Law 366.6

ATTACHMENTS: Pediatric Patient Review Instrument (available on-line)

The New York State Department of Social Services, Division of Medical Assistance, has received approval from the Federal Health Care Financing Administration (HCFA), to implement the use of the Pediatric Patient Review Instrument (PPRI), Form DSS-4362, in the Care at Home I and II Medicaid Model Waiver Programs.

This form must be completed by a nurse, licensed by the New York State Department of Education.

The PPRI is designed to specifically address the level of care issues unique to infants and children; it will replace the DMS-1 and the PRI currently used in the Care at Home I and the Care at Home II Programs respectively.

The PPRI (see attachment) will be in effect as of August 1, 1992.

When the forms are returned from the printer, we will send a supply to each county. Please photocopy the attached form for now.

Any questions concerning the use of the PPRI should be addressed to Ms. Janice Tricarico at 1-800-342-3715 ext. 4-9785, User ID 0PM140.
