The purpose of this release is to inform local social services districts of the availability of the revised Social Security Administration (SSA) Fact Sheet entitled "SSI in New York" (copy attached).

SSA has revised and reprinted its informational fact sheet "SSI in New York". This fact sheet provides basic information about SSI eligibility criteria and application procedures. The New York State SSI benefit levels set forth in the fact sheet were effective January 1, 1993.

Your district will automatically receive a supply of the English version of these fact sheets. A Spanish version of the fact sheet is available and will be sent to local social services districts on request.

Local social services districts may request additional fact sheets or the Spanish version of the fact sheet for distribution to interested individuals or groups by writing to:
