Transmittal No: 93 LCM-181

Date: December 29, 1993

Division: Economic Security

TO: Local District Commissioners

SUBJECT: Initial 1993-94 Home Energy Assistance Program (HEAP)
Allocations

ATTACHMENTS: Attachment - Initial 1993-94 HEAP Allocations
(Not Available on-line)

Attached is a copy of the initial 1993-94 Home Energy Assistance Program (HEAP) Allocations.

The public assistance (PA) allocations also include the food stamp (FS) automatic payments. This combined allocation is now entitled "Automatic Payment".

The non-public assistance (NPA) allocations will include those FS and PA cases not included in the automatic payment component. This allocation is now entitled "Application Component".

Cash advances will be based on WMS statistics reflecting payments authorized. Program allocations will be increased as expenditures are obligated under both the "Application Component" and the "Emergency Component". Administrative allocations will not be increased.

If you have any questions, please contact the Bureau of Energy Programs at 1-800-342-4100, extension 4-9321.

Oscar R. Best, Jr.
Deputy Commissioner
Division of Economic Security
