The purpose of this release is to notify Upstate local districts that the following forms and their Spanish versions are now obsolete:

DSS-3174: "Recertification for PA, MA, FS" (7/91 Upstate Brown Version)
Pub. 1313: "How To Complete...Recertification" (7/91 Upstate Brown Version)

These 7/91 versions were not obsoleted when the 6/92 versions became available because they were still used for processing MA-only Chronic Care cases. In 94 INF-28, the Division of Health and Long Term Care introduced a new form (DSS-4411: "Recertification for Medical Assistance (Chronic Care))" which replaced both forms for recertifying individual chronic care (MA-only) recipients and chronic care (MA-only) spousal recipients, when there are no dependent family members. All 7/91 English and Spanish versions of the DSS-3174 and Pub. 1313 (and all other previous versions), therefore, should be destroyed.

For Upstate recertifications other than MA-only Chronic Care cases, as outlined in 94 INF-28, the 6/92 black versions of the DSS-3174 and Pub. 1313 should be used, as outlined in 92 INF-49. For New York City recertifications, the 6/92 brown versions of the DSS-3174 NYC and Pub. 1313 NYC should continue to be used, as outlined in 92 INF-49. All 7/91 versions of the DSS-3174 NYC and Pub. 1313 NYC (and all other previous versions) should already have been destroyed.
