DSS-4037EL (Rev. 9/89)

Transmittal No: 95 LCM-107

Date: September 26, 1995

Division: Health and Long  
Term Care

TO: Local District Commissioners

SUBJECT: Child/Teen Health Program

ATTACHMENTS: NONE

The purpose of this Memorandum is to advise you that your Child/Teen Health Program (CTHP) coordinator has been sent the revised CTHP section of the Medicaid Management Information Systems (MMIS) manual. This section has been provided to the coordinators for reference and to answer questions that health care providers may raise. Staff is currently in the process of revising this material for use by managed care providers.

The CTHP section provides the care standards and periodicity schedule from the New York State Department of Health and generally follow the recommendations by the Committee on Standards of Child Health, American Academy of Pediatrics.

Please note that the name of the Child/Teen Health Plan has been changed to the Child/Teen Health Program to avoid confusion with Managed Care Plans.

If you or your staff have any questions, please call Judith A. Lenihan of my staff at 518-474-2150.
