Page No. 2

The total local share on the MR-0-65 sheets should equal the amount on line 3 of the Shares Report which has already been sent to you attached to the settlement notice.

Please note that there may be small differences between the reports due to rounding. Please take special note that the issuance of the LCM, accompanying the Mentally Disabled (MD) Overburden payment will be discontinued. Since this is a continuing process, fiscal instructions will be incorporated into the Fiscal Reference Manual. The MD Worksheet will be attached to settlement documents. MARS reports (MR-0-64, MR-0-65) are, and have been, available at the local level. This change will not affect the timing of the payment or the process in general.

If you have any fiscal questions, please contact the Bureau of Local Financial Operations:
